School Board Approves Plans for New Elementary School

Establishing school policy, financing school programs and facilities through budget and taxes, and hiring qualified personnel are three responsibilities of the Board of Education. The group's nine members, three of whom are elected biannually, must cope with the ominous necessity of expanding classroom facilities, or in the very near future Nazareth Area School District's buildings will be obsolete.

To appease growing public concern over the crowded and detrimental condition of many classes, the Board has approved plans for a new elementary school in Lower Nazareth Township. The three-quad structure will include 14 classrooms with folding partitions for future flexibility. The building should be ready for use in September, 1970.

The goal of the Board of School Directors is to provide the following rights for all pupils:

1. Equal opportunities for education
2. An educational program correlated with student abilities and interests that will furnish pupils with the essential skills and knowledge required for useful living in today's world
3. A school environment that is healthy and pleasant
4. Qualified teachers who are emotionally stable and fair to all concerned
5. Cooperation between home and school
6. An ample number of teachers to provide the finest quality of educational instruction
7. A method of instruction which will prompt the student to think for himself and to allow him to formulate opinions on world issues
8. A sufficient amount of materials and equipment needed to effectively convey concepts

Providing the best possible education is necessary to keep students abreast with college requirements and job opportunities. Proof of the School Board's sincere concern for the welfare of the community lies in the constant improvement of Nazareth's educational facilities.

BOARD OF DIRECTORS - FRONT ROW: Superintendent of Schools Herbert F. Coble, Gustave Fox, Dr. Floyd R. Shafer, Charles P. Schnerr, Wilfred J. Sheetz. BACK ROW: William C. Broad, C. Forrest Bowers, Vincent C. Paukovitch, Raymond E. Reinert, Daniel H. Ritter, Gustav Braun.

SCHOOL ADMINISTRATION

Administration Prepares "Master Plan" for D.P.I.

Herbert F. Cobley has been the Superintendent of Schools for the Nazareth Area School District since 1956. He has the grave responsibility of supervising and carrying out all decisions made by the School Board and directing the operations on all school levels from kindergarten to high school. Mr. Cobley speaks at many meetings, describing the policies and programs of the school.

Under the direction of the Superintendent of Schools, and the Board of School Directors, Business Manager Wilfred J. Sheetz oversees the school finances and prepares the annual budget.

Administrative Assistant James Feather coordinates the federal programs under NDEA and ESEA in our district and schedules students for bus transportation.

Responsible for the emotional welfare of the students, school psychologist Broni Krisukas makes both home and school visits.

Having qualitative leadership is vital in creating a good school program. All of these people are dedicated to improving our standard of education.

HIGH SCHOOL ADMINISTRATION

Administration Plans Expansion of Classroom Facilities

Any school operation is only as good as its leaders. Our administration has established a well-organized curriculum for an adequate system of learning.

1968 saw the appointment of department chairmen in the following areas: Science, Mathematics, English, Social Studies, Foreign Language, and Business. The general purpose of these positions was to aid in the correlation of work throughout the entire secondary program.

Acting on a recommendation presented by the Middle States Association of Colleges and Secondary Schools, Adam Shekletski was appointed to fill a newly-created position of Vice Principal.

As principal of Nazareth Area Senior High School, Frederick C. Benfield has brought dedication and devotion to his student body.

No one can live his life without the advice of someone, especially high school students. These three years are the most decisive times of our lives, and professional help is vitally needed to guide us.

Marlyn Roth and Robert Reichard, school guidance counselors, hold private conferences during the school years. They not only help us with the choosing of future vocations, but also with study problems.

MERIT SCHOLARSHIP FINALISTS Cynthia Dlugos and Carolyn Klein receive congratulations from Principal F. C. Benfield.

Selected as a member of both the DISTRICT AND REGIONAL BAND is sophomore Richard Heckman.

FUTURE HOMEMAKER OF TOMORROW Cynthia Dlugos.

Named as OUTSTANDING TEENAGERS OF AMERICA are Dennis Ritter, Rosanne DeFrank, and William Kelley.

DAR GOOD CITIZEN AWARD was presented to Rosanne DeFrank.

HONORS

Students Merit Recognition for Outstanding Achievement

DAR GOOD CITIZEN AWARD

Awarded by the Daughters of the American Revolution, a DAR Good Citizen Award is given to one senior girl, chosen by the faculty and students. The candidate should possess the qualities of honesty, dependability, leadership, and citizenship.

Rosanne DeFrank was selected this year's recipient and received her award at Commencement exercises.

FUTURE HOMEMAKER OF TOMORROW AWARD

All senior girls are compelled to take the Betty Crocker Future Homemaking Test. The test contains a cross section of marital situations, parental problems, diet, and cooking.

Cynthia Dlugos, who gained the highest score in the test, was named the 1969 Future Homemaker of Tomorrow.

OUTSTANDING TEENAGERS OF AMERICA

Dennis Ritter, Rosanne DeFrank, and William Kelley have been selected Outstanding Teenagers of America. Principal F.C. Benfield chose them as prominent students in the senior class. The award was presented by the Outstanding Teenagers of America Foundation.

NATIONAL MERIT SCHOLARSHIP AWARDS

Many college-bound students take the National Merit Scholarship test in order to receive qualifying scores for school scholarships.

John Darrohn, Donna DeRemer, and Jeffrey Wentzell qualified for letters of commendation.

Cynthia Dlugos and Carolyn Klein received finalists ratings because of the high scores received in the Merit Scholarship test.

Principal F. C. Benfield presents letters of commendation for scores received on the NATIONAL MERIT SCHOLARSHIP test to John Darrohn, Donna DeRemer, and Jeffrey Wentzell.

EXCHANGE STUDENTS

German Visitor Adapts Successfully to N.A.H.S.

Coming to us from Aachen, Germany, and staying with the William E. Quinter family, is our German Exchange Student Sebastian Fohrbeck. He is from a family of three sisters and two brothers, with his father being a doctor and his mother the principal of a school.

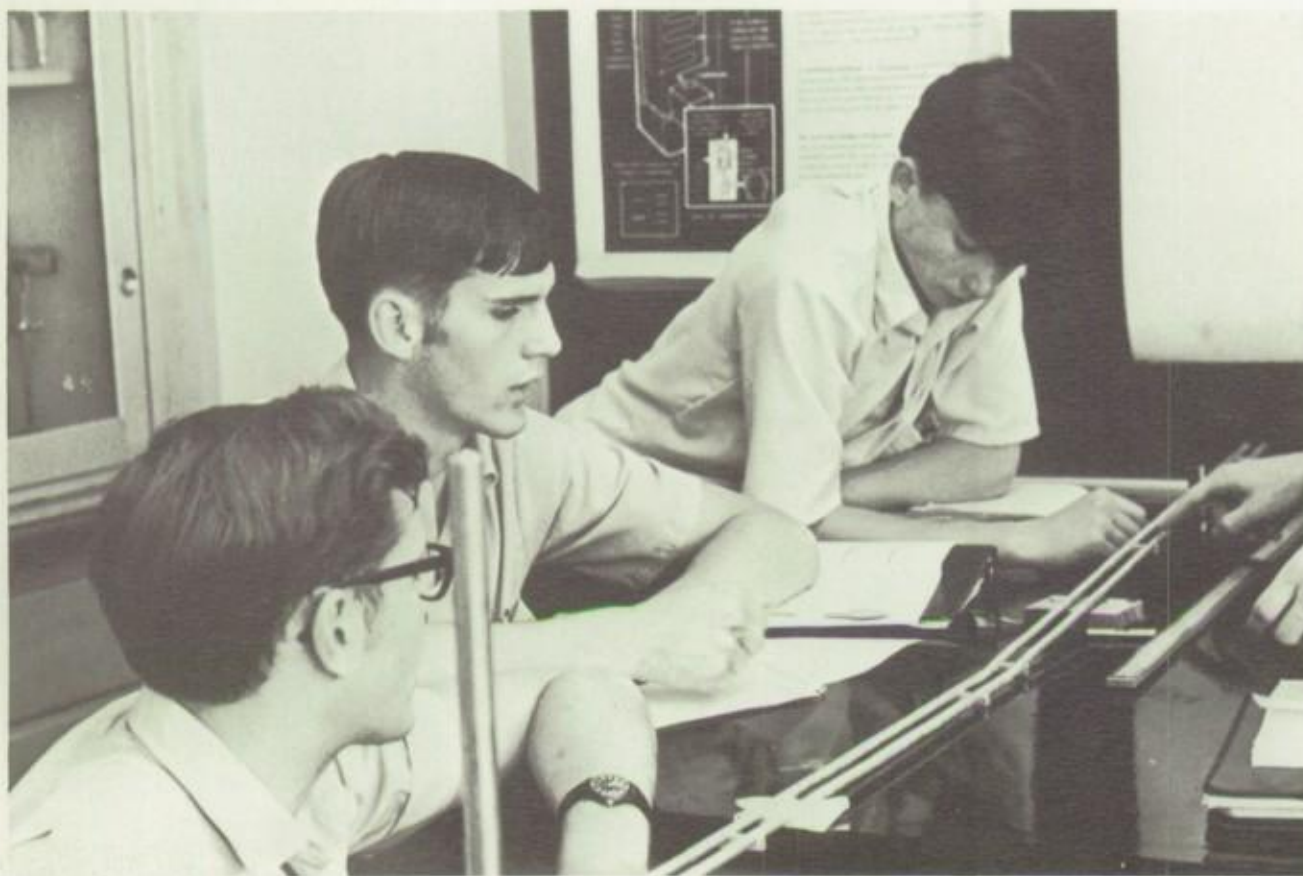

In explanation of his school system at home, Sebastian noted that after four years of elementary school the student must choose between a nine-year Vocational-Technical program, or 13 years of high school. In the German high school there is more emphasis placed on the study of foreign languages. School is held from 8 a.m. to 1 p.m. for six days a week with only six weeks of summer vacation.

In terms of the future, Sebastian must finish two years of high school at home. He plans to go to a German College for six years and, if possible, study for one year in an American college in the field of sociology or political science.

Sebastian Fohrbeck is helping conduct an experiment in the physics lab. Along with this class taken with juniors, Sebastian has senior classes in English and Problems of Democracy.

Shown here in the laboratory, Oscar came to Nazareth with an extensive background in all the sciences. This year he took both physics and chemistry.

Community Exposed to South American Influence

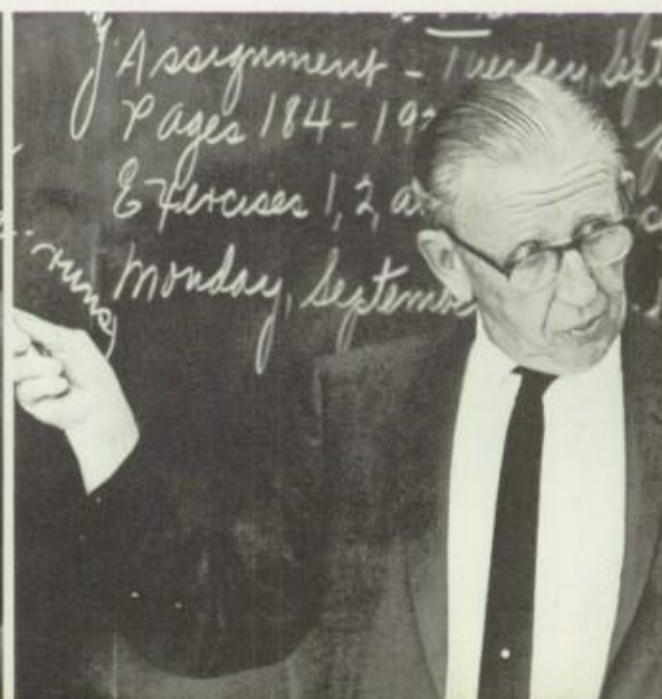

Under the sponsorship of the Nazareth Rotary Club, Oscar Morel arrived in Nazareth from his home in Santiago, Chile to spend one-half of the year with the family of Kenneth D. Shiffert and the remaining half of the year with the John Zeigler family.

Oscar explained that, due to Chile being in the Southern hemisphere, the school year starts March 15 and closes December 23, the interim being used as the summer vacation. It is not uncommon for a student to have 13 subjects, but usually there are only eight subjects taught in one day. There is a ten-minute break every two periods, in which students are permitted to smoke if they so desire. There is no school on Wednesday afternoon to allow time for participation in sports. Students must wear blue and white uniforms to school, and jackets are worn by the boys.

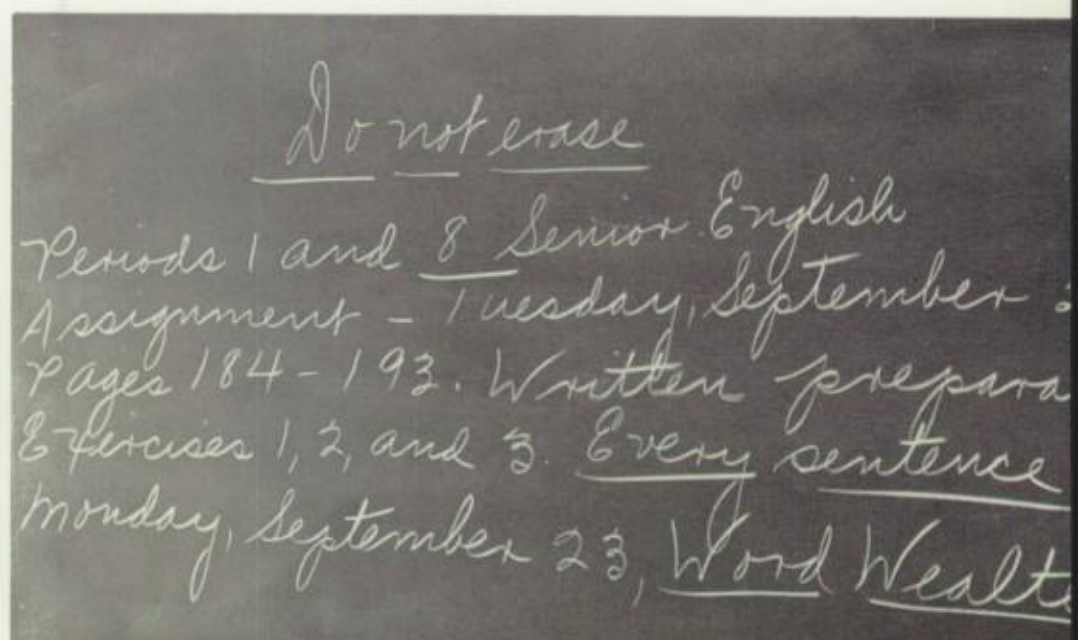

Although he had eight years of English at home, Oscar has had difficulty speaking because "the Chilean accent for English is different."

After completing his year at Nazareth, Oscar plans to attend a university in Chile to study chemical engineering.

ENGLISH

English: A Cornerstone in Secondary Education

In a world where men are attempting to land on the moon, where human hearts are finding second lives, and where the Republican Party is again making its appearance into the limelight, man's ability to communicate with his fellowman has become an increasingly important virtue. In the field of communication one must keep in mind the skills of listening, speaking, and writing. These skills are developed through the interpreting of lectures, through public speaking, and through the construction of themes.

In our high school today, it is the sole purpose of the English Department to prepare us, the students, for the challenges of an ever-moving society. As sophomores, grammar became a heavily-stressed subject with a touch of literature emphasizing such writers as Shakespeare and Dickens. In our junior year, we devoted our energy to the American scene and as seniors finished our high school careers with a study of English Literature. We cannot forget our weekly World Wealth tests, or the joys we experienced in giving oral book reports and speeches.

Unless we go on to college, our formal instruction of English ends in high school. Yet, it is but a beginning — for English is an interpretation of the voice of man and the focal point of our total educational picture.

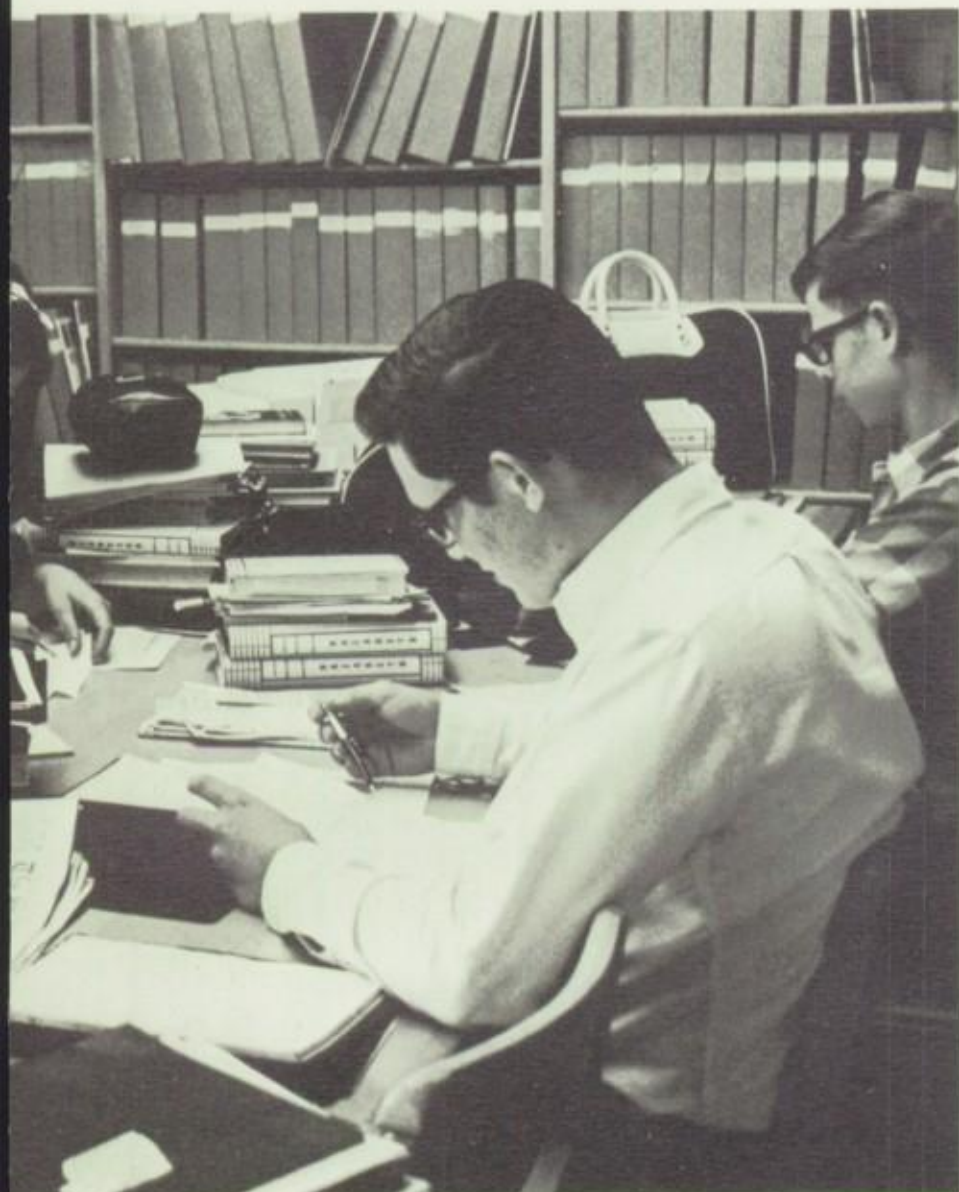

History Seminar students meet daily to ponder the problems of to-day's world. One of the Seminar's activities is the presentation of class reports which are prepared with the aid of library reference materials.

Concentration is one of the important factors in understanding social studies, whether it be geography, world cultures, American history, or problems of democracy. Right, Class discussions enable students to exchange ideas and opinions in one such discussion in American History class.

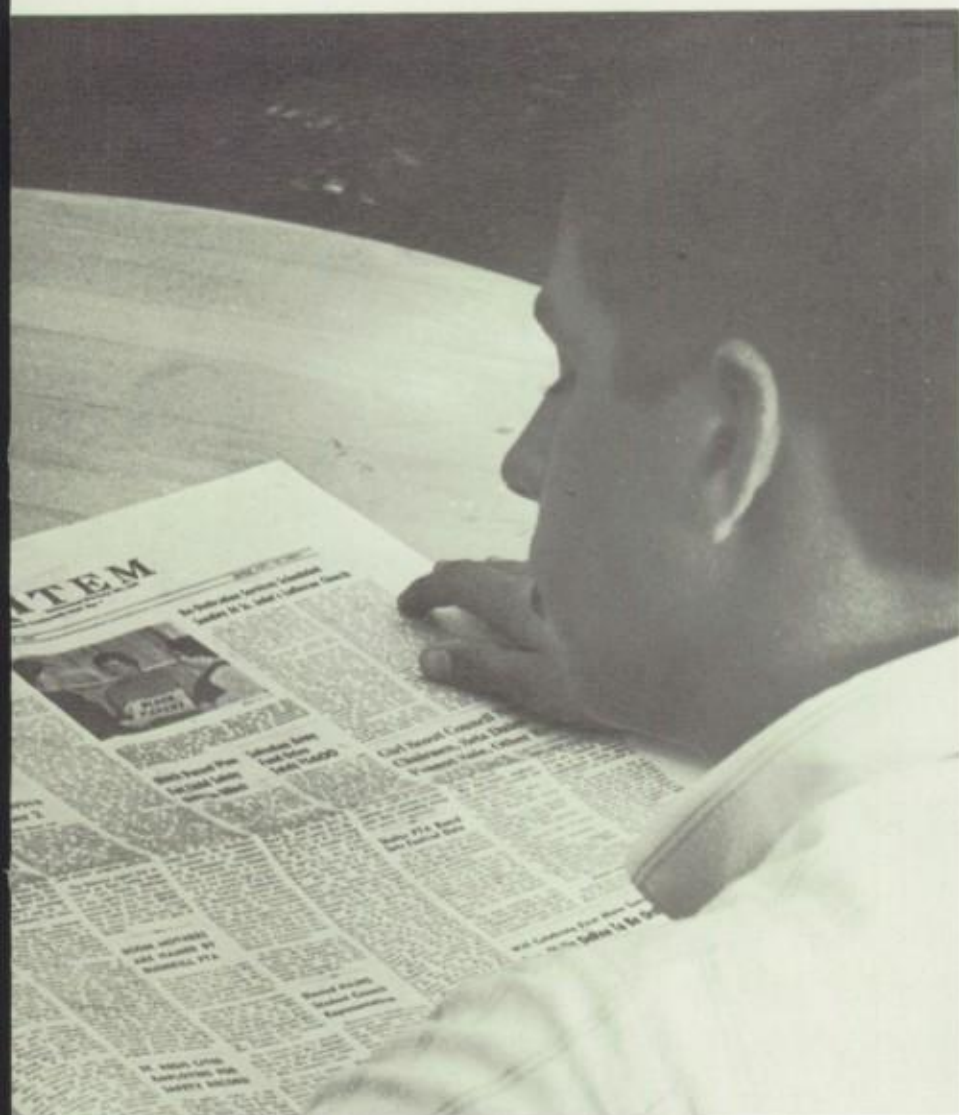

SOCIAL STUDIES

Social Studies Instill Future Responsibilities

We live in an age of dissent. Never before in man's history have so many people disagreed so strongly on so many issues. Social conditions, racial equality, international relations, and political power are all subjects of intense debate in almost every nation in the world. The major source of this dissent is the present generation of students. We freely exercise the right to protest, but as future leaders of society, we must also exercise responsibility. It is up to us to insure that our dissent improves its target.

In our social studies courses we come to understand our responsibilities. By comparing our methods with those of past generations, and the results of past dissent, we can predict the effectiveness of our own protest. We learn the ways which the peoples of other nations have used to solve their problems. Study of the ideas of Jefferson, Adams, Lincoln, and others reveals to us the use of dissent in the creation and progress of the United States of America. We begin to realize the many problems of life in a democracy, and learn how to eliminate these problems by the use of personal responsibility, inalienable rights, and constructive protest.

Social studies give us a firm knowledge of the progress of man. By using this knowledge, we are able to prepare for our future roles as responsible, constructive critics of our nation, our world — and ourselves.

Students have an opportunity to keep up with current events in our community and the world by reading the many newspapers available in our school library.

SCIENCE AND MATHEMATICS

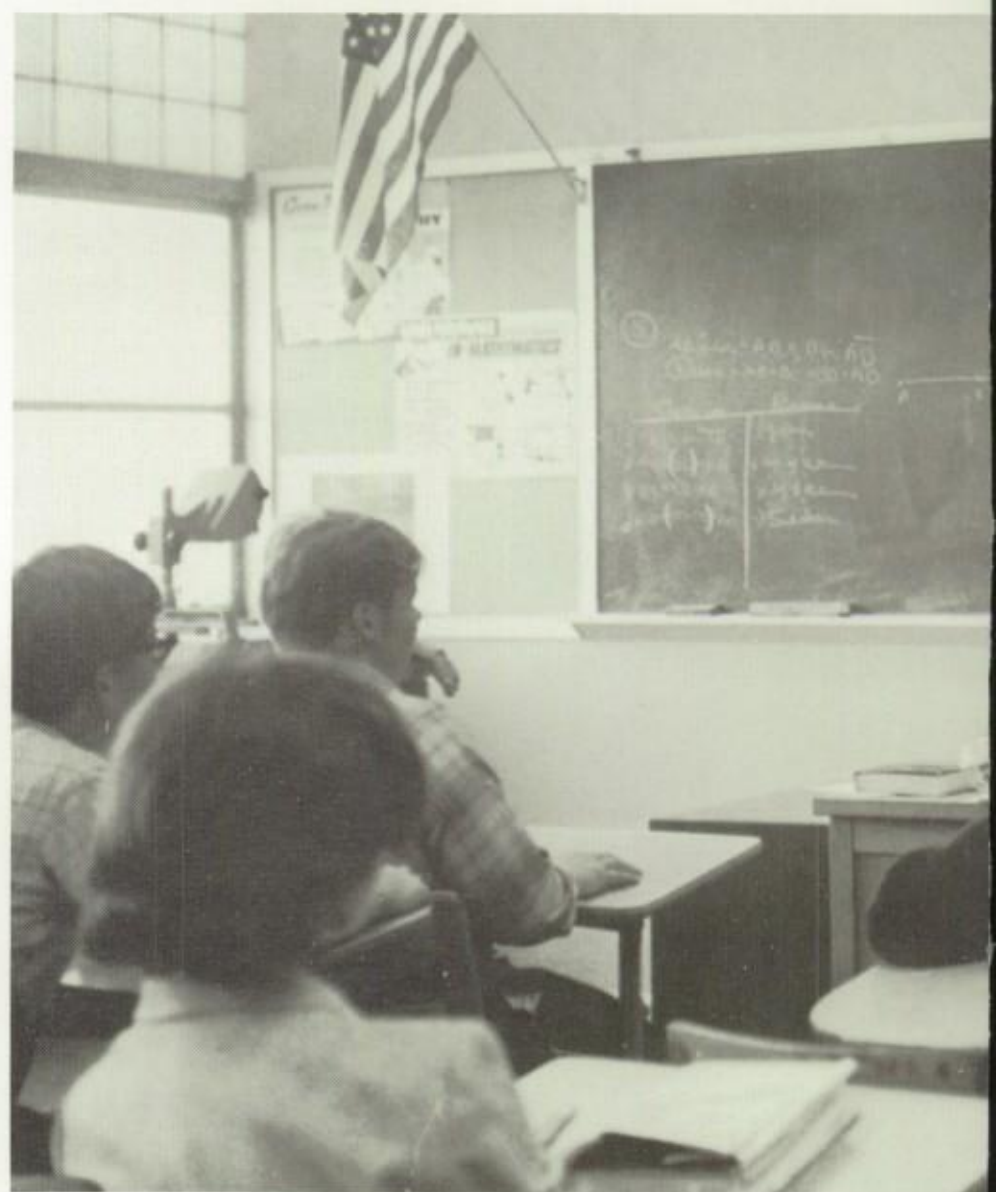

Technologically — Oriented Minds Prepare for an Automated Society

In today's society, life is becoming more and more complicated every day of our lives. The world is moving at a much greater pace today than it has ever moved in the past, and with the increasing rate at which events happen today, we need modern and technical devices to accommodate the advanced problems and ideas which arise. Because things have changed so rapidly, we have no choice but to look to the future. Developing and using ideas to their fullest extent becomes a main concern in science and mathematics classes, whether it be in biology, chemistry, plane geometry, or advanced algebra.

Machines are truly replacing people, but capable people will always be needed to watch and regulate these machines. Throughout the country courses can be taken to provide the knowledge needed to guide such machines as computers and other complicated devices. With the help of science and math, we are able to improve and develop machines to make larger quantities of the products in demand.

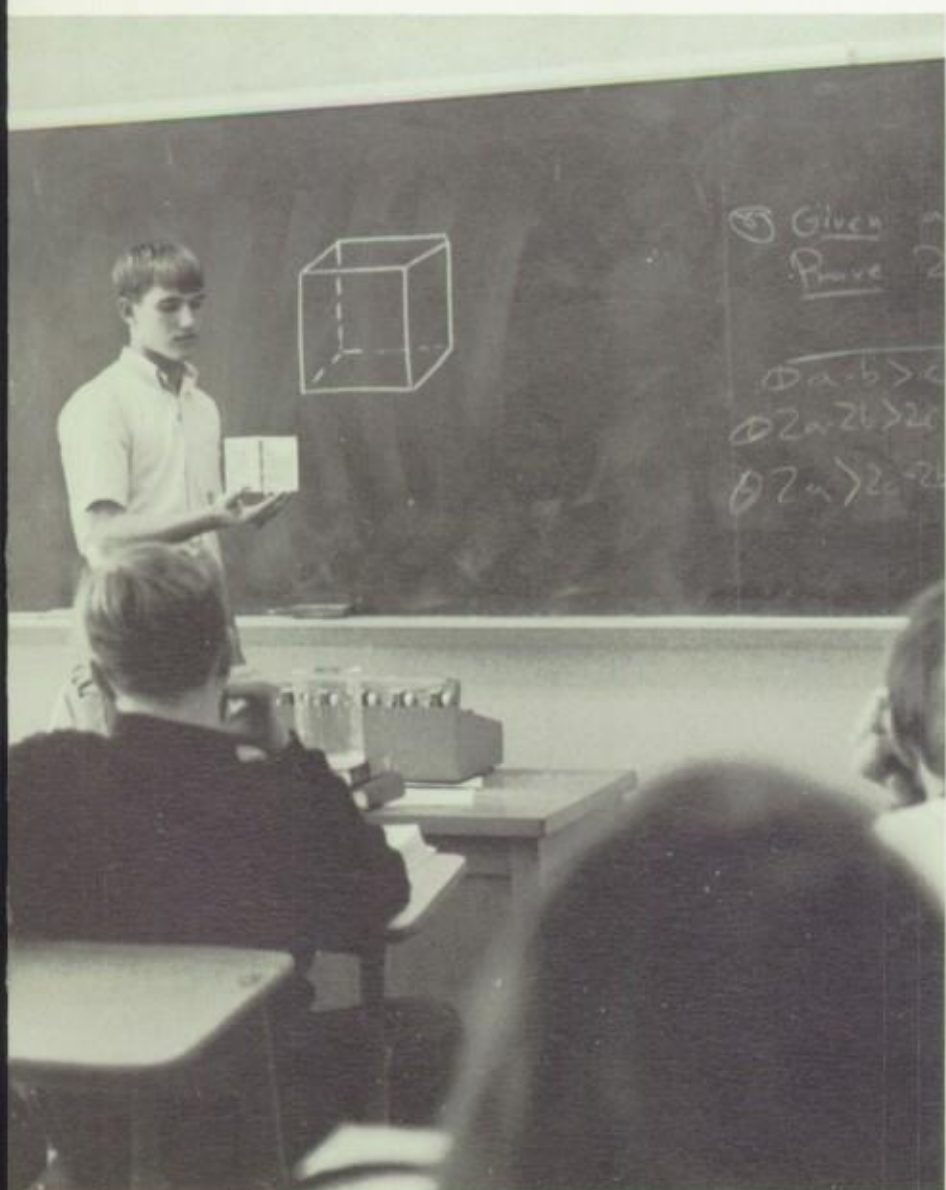

In the future, we shall look for a larger and better world brought about by the advanced studies of scientists and mathematicians.

Jeff Wentzell transfers a solution of hydrochloric acid and water into test tubes during a chemistry experiment.

Heather Schultz and Jennifer Morrison dissect frogs in Mr. Lenard Bast's advanced biology class. This course provides the sophomore students with an intensive study of the science of life.

Larry Schoeneberger attempts a proof involving cubes during a geometry class. Geometry is the initial step in senior high school mathematics which is taken by most College Prep sophomores.

During study periods, students take advantage of the library's excellent facilities to read their favorite books and magazines. Right — A varied selection of paperback books attracted both the student body and the faculty to the library. Jim Huth and Mike Kopach inspect a few of the modern novels.

FOREIGN LANGUAGE AND LIBRARY

Communications Are Vital in a Modern World

Modern technology has brought every person within a few hours' reach of any spot on earth. Because the people of the world are in such close contact, communication is vital for the preservation of friendly relations among nations. At Nazareth Area Senior High School we learn to communicate with the peoples of the world through the study of French and German, and to understand others through the use of our school library.

French I, II, III, and IV familiarize the student with the language, customs, and culture of France. Miss Joan Mesko encourages study and concentration by assigning book reports on French topics and projects which relate to France. Three students — Carolyn Klein, Pam Liming, and Fay Manicke are studying both French III and IV in order to prepare for future work in college. Students also worked with Miss Susan Tilly, student teacher from Moravian College, in a mutual learning situation.

Our German program has been supplemented this year by the addition of a second instructor. In addition to sophomore English, Miss Janice Smith now teaches first-year German classes. Miss Smith and Mrs. Ruth McGonigle teach students German history and culture in addition to grammar and vocabulary. Miss Natalie Sparano, from Moravian College participated as student teacher for several weeks.

Nazareth Area Senior High School's library offers a wide variety of materials for student use. This year, due to the steady increase in the number of volumes, additional bookshelves were added to the library. Students took advantage of the Annual Book Fair to increase their personal libraries. Miss Carol Ann Mann, assisted by Mrs. Ruth Anderson, provides competent advice on any problem that students may have concerning the use of the library.

French I introduces the student to the basic fundamentals of the French language. Attentive pupils attempt to understand the mysteries of verb conjugation.

Richard Schmoyer presents a talk to the History Seminar upon his return from a summer in Egypt. Present are Donna DeRemer, Fay Manicke, Rosanne DeFrank, Dale Odenwelder, Richard Schmoyer, Sharon Frankenfield, Richard Remaley, Dennis Ritter, Michael Rutt.

In an attempt to make an in-depth study, the Seminarists acquired newspapers from numerous cities throughout the country and compared the many interpretations of the facts seen in the news media.

SEMINARS

Seminars Provide Opportunities for Intensified Studies

ENGLISH SEMINAR

English Seminar, a course open to seniors and advised by the head of the English Department, J. F. Knecht, gives students an opportunity to study the classics in the literary world. The course not only includes the classic as such; it also gives background and meaning to both author and content. Following tangents in many directions, the students often relate universalities and truisms found in literature to present-day conditions. These informal discussions prepared the student for college-level work and also provide insight into the advanced concept of literature.

HISTORY SEMINAR

This year's History Seminar, advised by Miriam Zell, has undertaken a variety of projects.

Taking advantage of the election year, the Seminar conducted a political campaign, followed by a rally and mock election. They delved into the topic of the Vietnam War through the use of periodicals, slides, and speakers. Individual members of the Seminar did intensive research on the following questions:

Shall our draft system be changed?

Shall the electoral college system be revised?

Shall the national nominating convention be continued?

What role has the Afro-American played in American History?

One of the field trips enjoyed by the History Seminar group was a visit to the library at Moravian College in Bethlehem.

BUSINESS EDUCATION

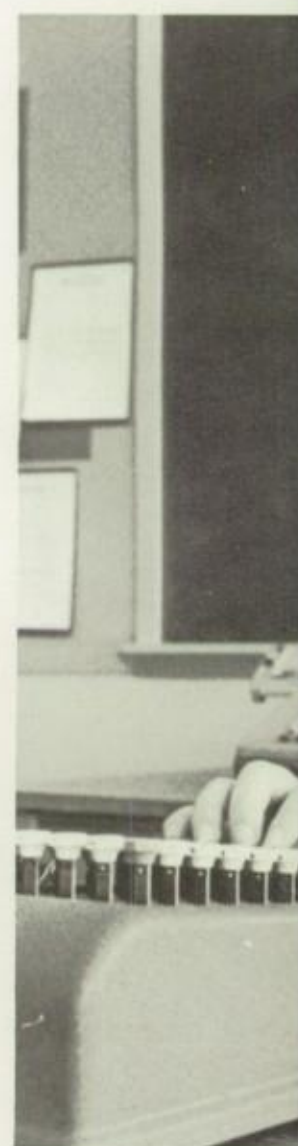

Business Education on the Move

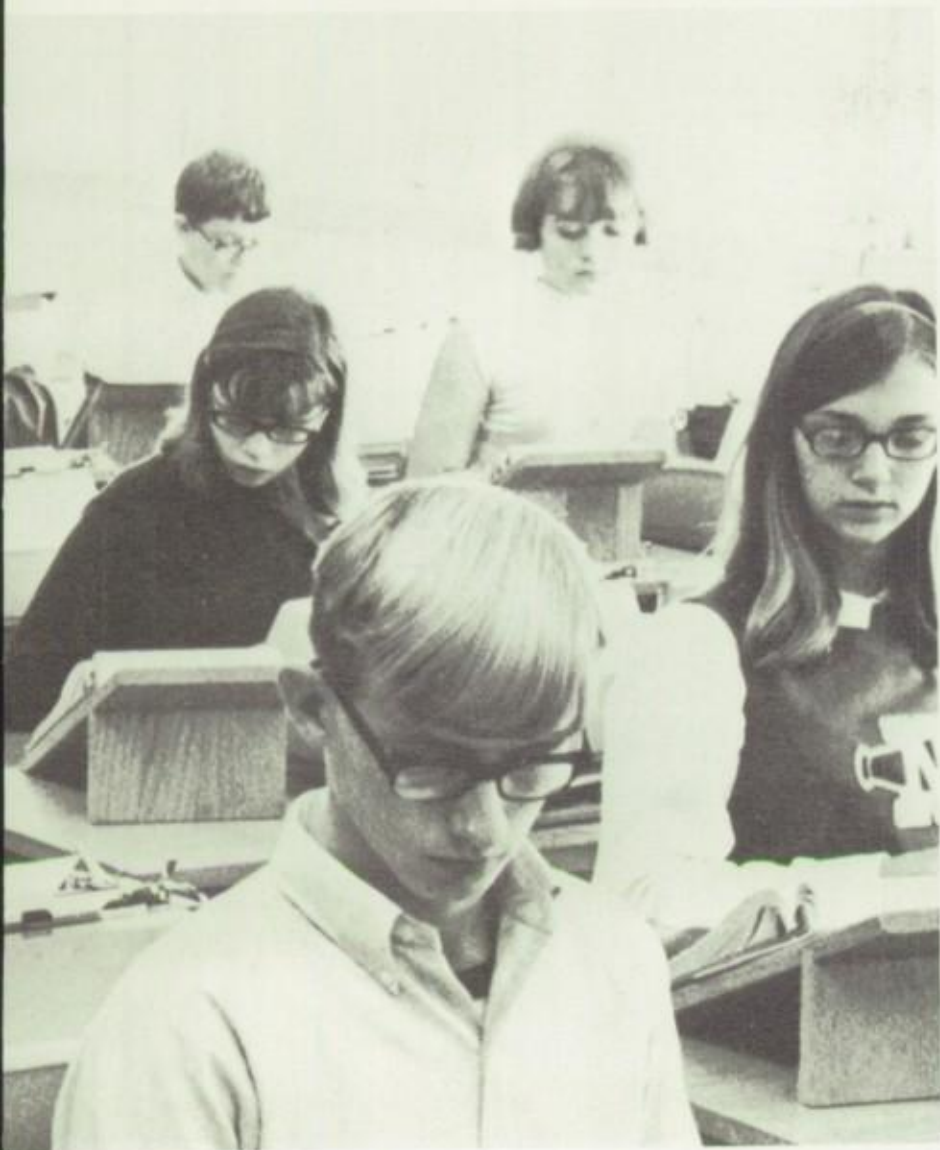

Main objectives of the Business Education courses at Nazareth Area Senior High School are to acquaint the student with the procedures and policies of the business office. Courses such as business math, bookkeeping, shorthand, office practice, and consumer economics all develop the student's abilities in these fields.

Ability to operate office machines is also important in the business world. Key punch, adding machines, bookkeeping machines, the comptometer and duplicating machines are part of the equipment in the office practice room. Shorthand speed is developed through the use of a Norelco steno-trainer. Students can tune to four different channels to develop speed at their own pace.

Personal typing is offered to students who wish to have a command of the basic fundamentals of typing.

Dana Bateman draws free-hand artwork on the mimeoscope. The stencil is used to reproduce the artwork on duplicating equipment.

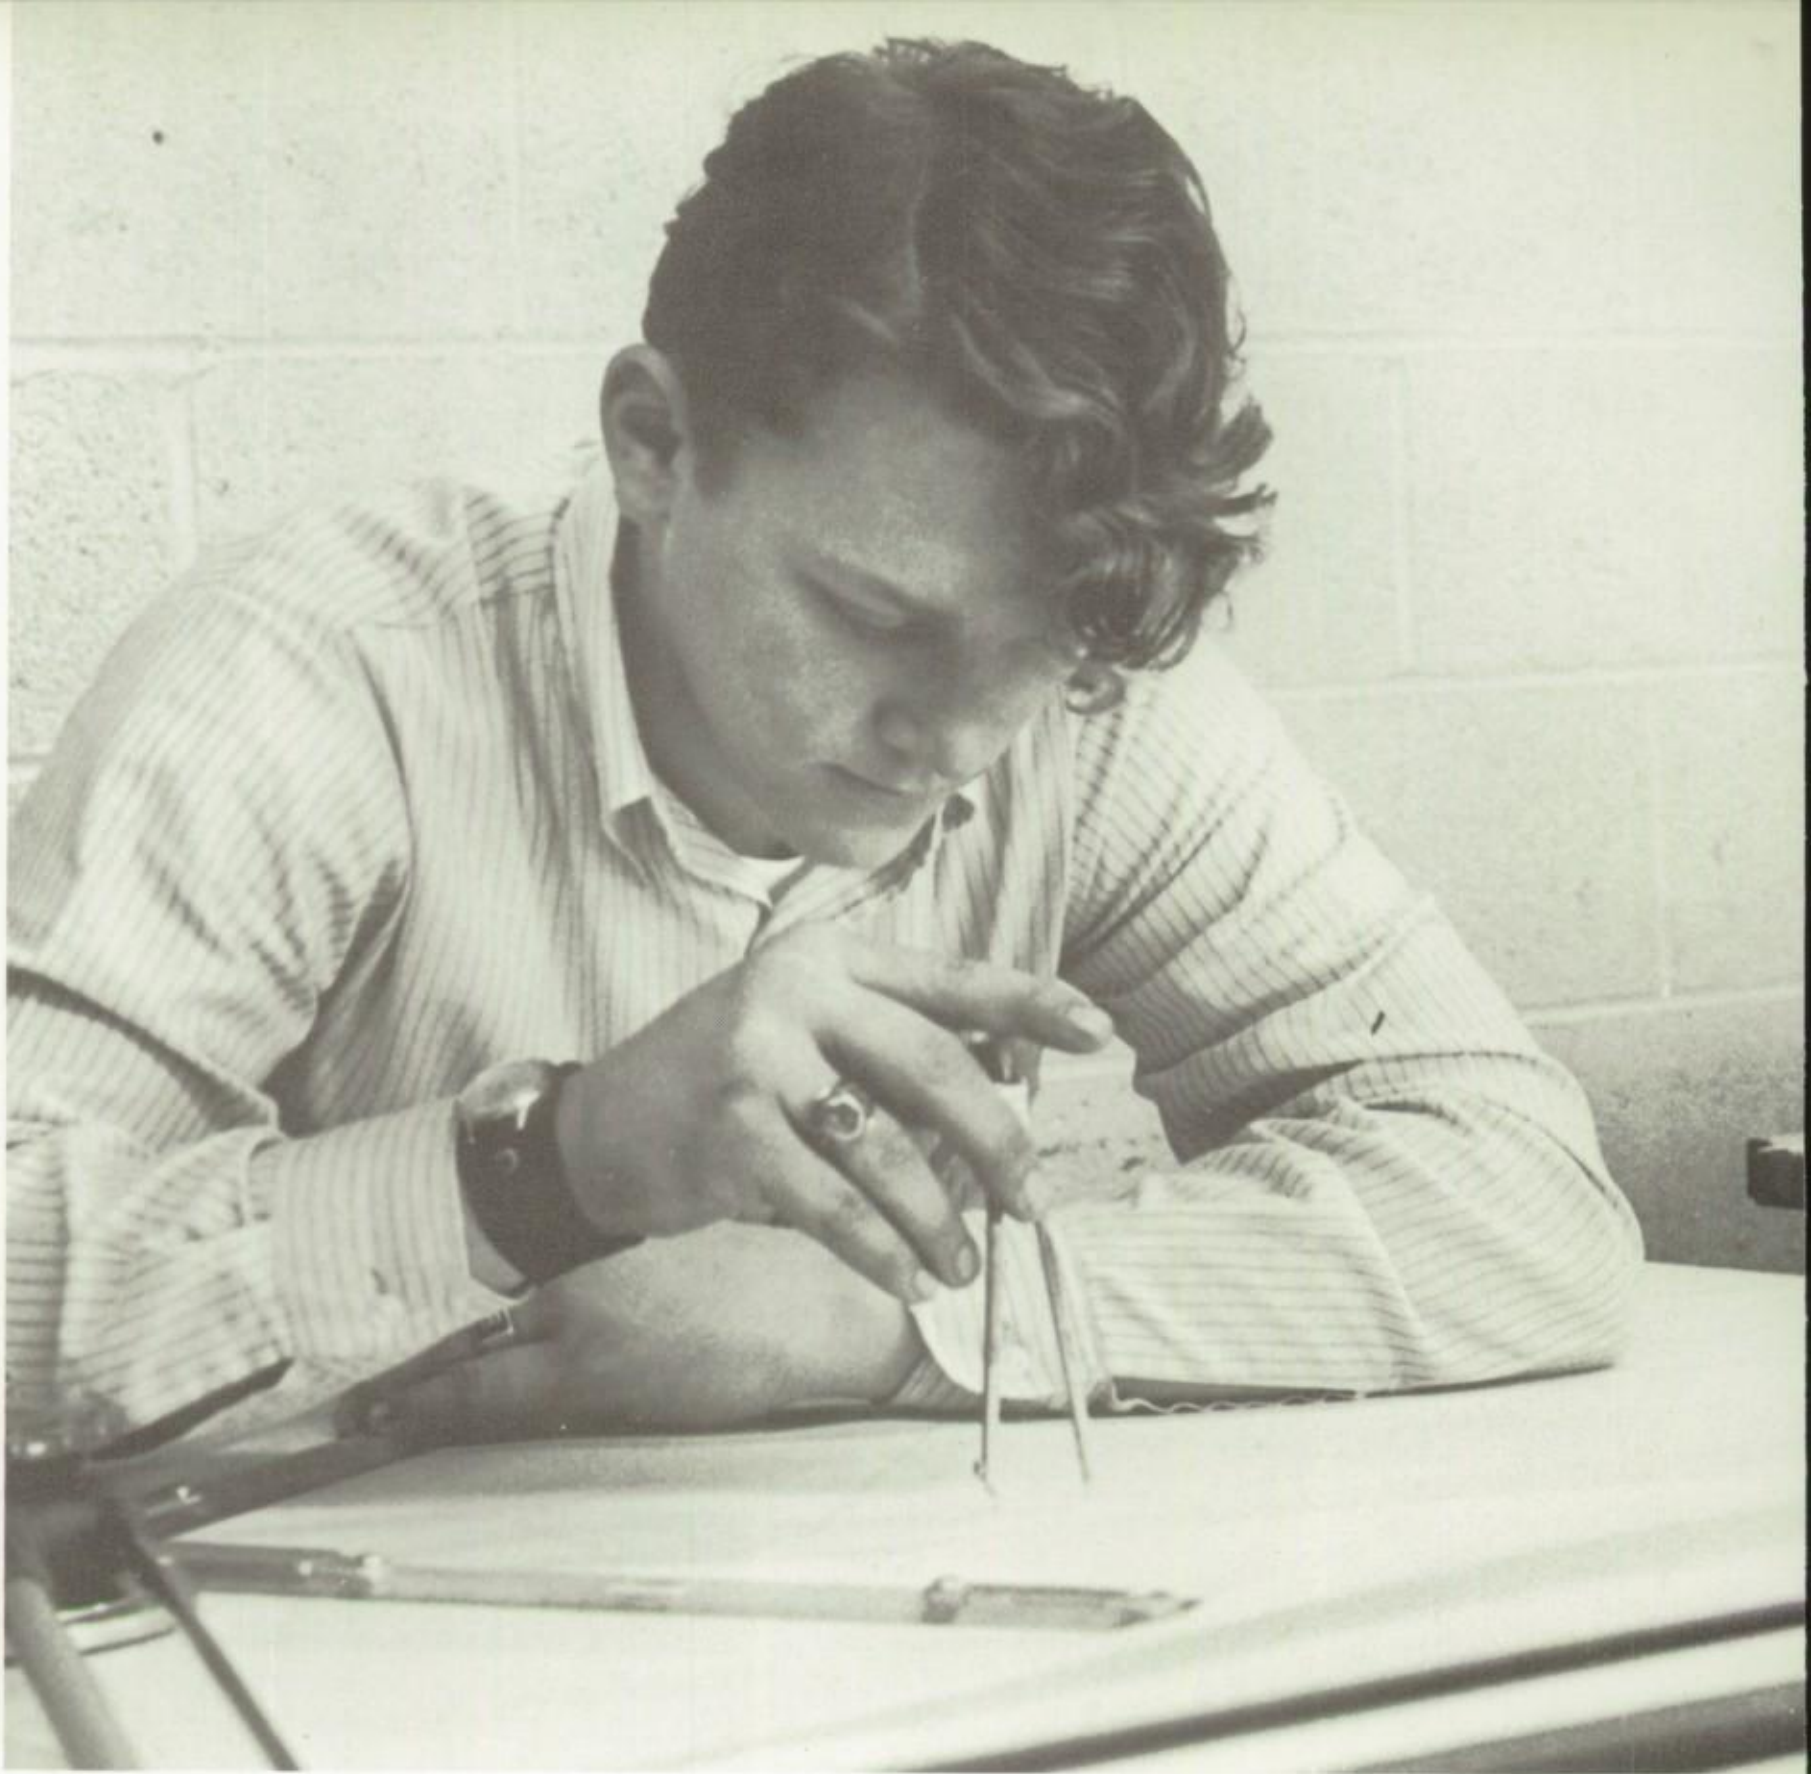

Typewriting I classes concentrate on intensive short-timed drills to increase speed and reduce errors. Speed and accuracy are of primary importance in the beginning classes.

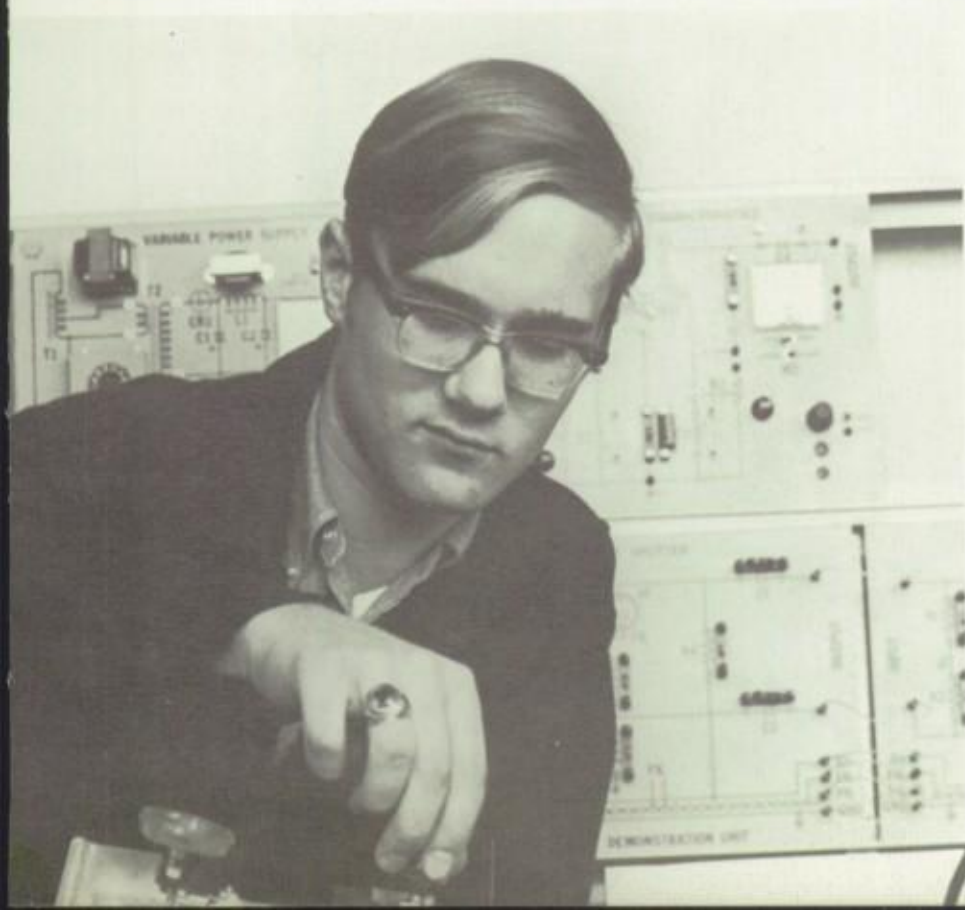

Office practice classes provide an opportunity to become acquainted with a variety of office machines. Mary Mularick computes a mathematical problem on the full-bank adding machine. Left — Irene Dashuta works a problem on the comptometer.

Blue printings are a necessary part of all projects. At left, Brian Berger works on an accurate model of his assignment. Below, Wenda DeWalt begins to wire a panel for a program on the 402 Accounting Machine. This is one of the skills acquired in the Data Processing course.

All parts of an automobile engine must move smoothly to function properly. At left, Rodney Rissmiller greases the motor to keep all parts in good working order. Below Geary Gum connects an additional part to his custom-made radio.

Niles Siegfried adjusts the front wheel alignment on a Dodge Dart. Incorrect settings would cause undue wear on tires.

VOCATIONAL-TECHNICAL SCHOOL

Technical Vocations Developed Through On-The-Job Training

Students further their education in a chosen vocation at the Northampton County Vocational-Technical School. Pupils are given a chance to develop their abilities at a skilled occupation. One half of the day is spent at the Vocational School, where the students receive specific training in their desired field. During the second half of the day, students pursue mandatory classes in English, history, health, and physical education at Nazareth Area High School.

There are many different courses which are offered and studied by the students. Several fields are mechanics, electronics, masonry, business management, carpentry and printing. Distributive education students are permitted to work at a job in their skilled areas instead of attending vocational classes.

Andrew Brock distributes specification sheets for a group building project which will demonstrate the skill which has been developed through the year. Below Wanda Snyder and Linda Engler prepare cookies for refreshments which will be served to the visitors at our annual Open House.

ART, INDUSTRIAL ART, AND HOME ECONOMICS

Originality Reflects Imagination and Creativity

John Frey demonstrates his skill in turning a cylinder on the metal lathe.

ART

Creations made through the use of paints, clay, water colors, etc., bring great satisfaction to the individual. Courses such as Arts and Crafts, which includes jewelry making, enameling, ceramics, and fabric decoration, Art I and II, and General Art are offered.

Students whose finished products were especially well done had their work displayed in the showcase in the main lobby.

Art Classes designed the showcase for the Senior Class Play, the Christmas Concert, and made posters for the annual Chrysanthemum Show.

INDUSTRIAL ART

Some of the areas studied in Industrial Art are metal shop, wood shop, and engineering drawing. In these classes students create their own designs through the use of mechanical devices found in the shop. Practicing good safety habits while working helps to produce useful items for the home.

Creating fashions is an area studied by the girls in the Home Economics classes. Girls model their creations in a Spring Fashion Show.

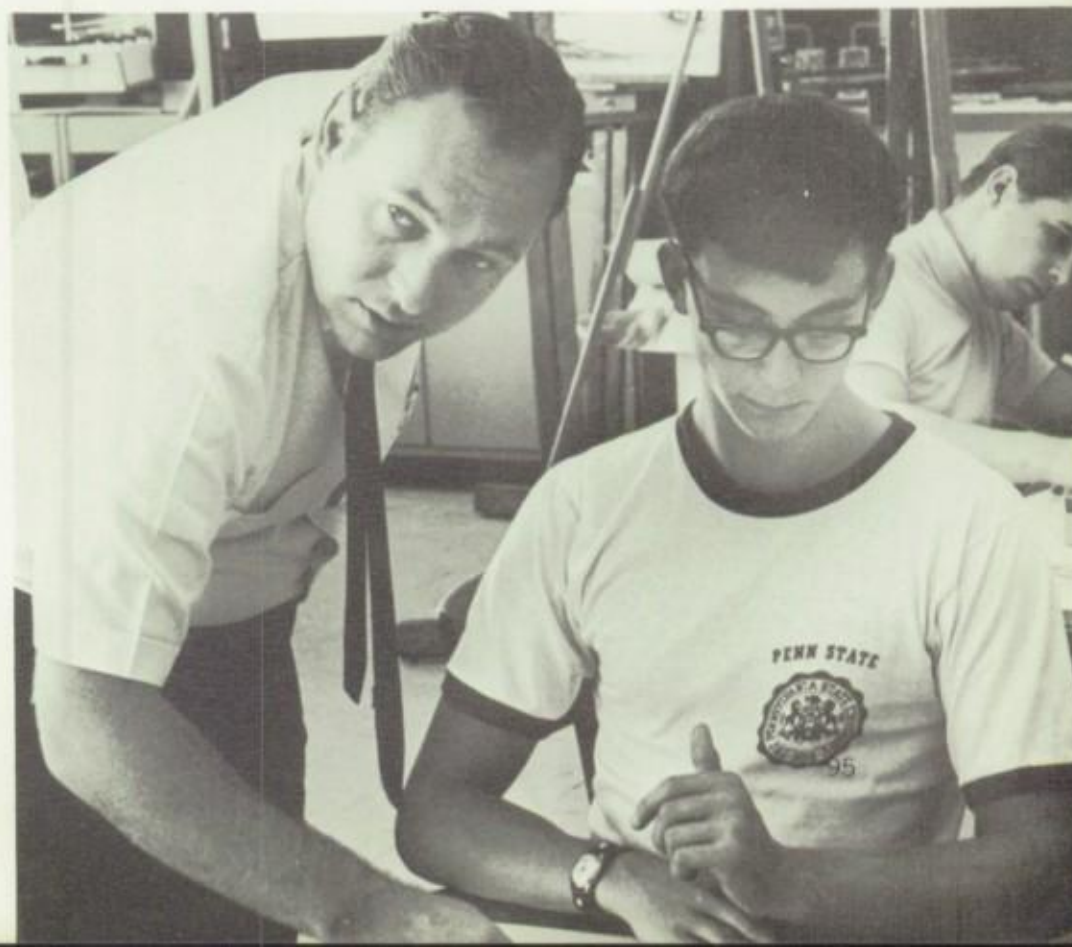

HOME ECONOMICS

Homemaking and sewing are the areas of concentration in the classes in home economics. Students add blouses, skirts, and evening clothes to their wardrobe by the skills acquired.

Child care, nutrition, and family understanding are concepts which are explored and discussed.

Instructor Robert Lichner offers suggestions for the improvement of a primary sketch to Gary Olenwine.

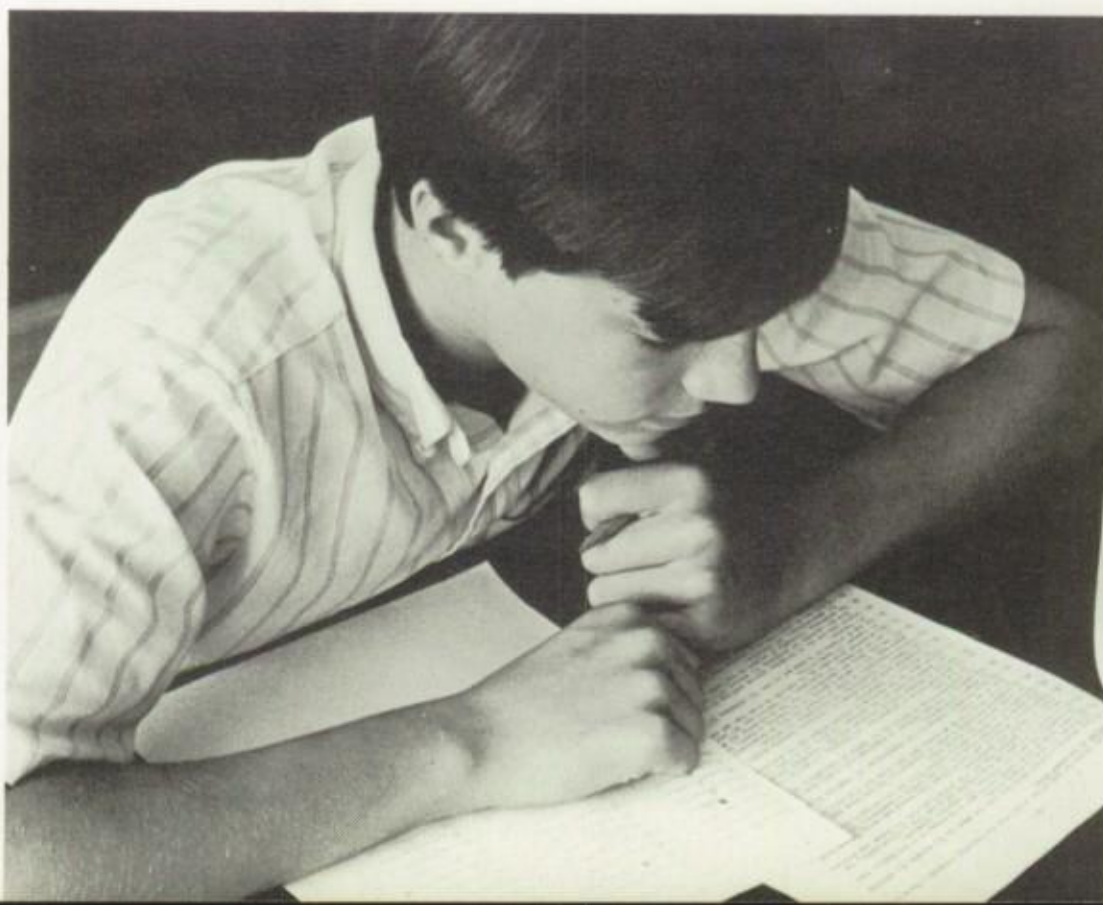

Different sports and activities are taken up in gym class which points out the various phases of physical education. Raymond Nunamaker instructs Donald Sterner and Randy Heiserman in the referee position.

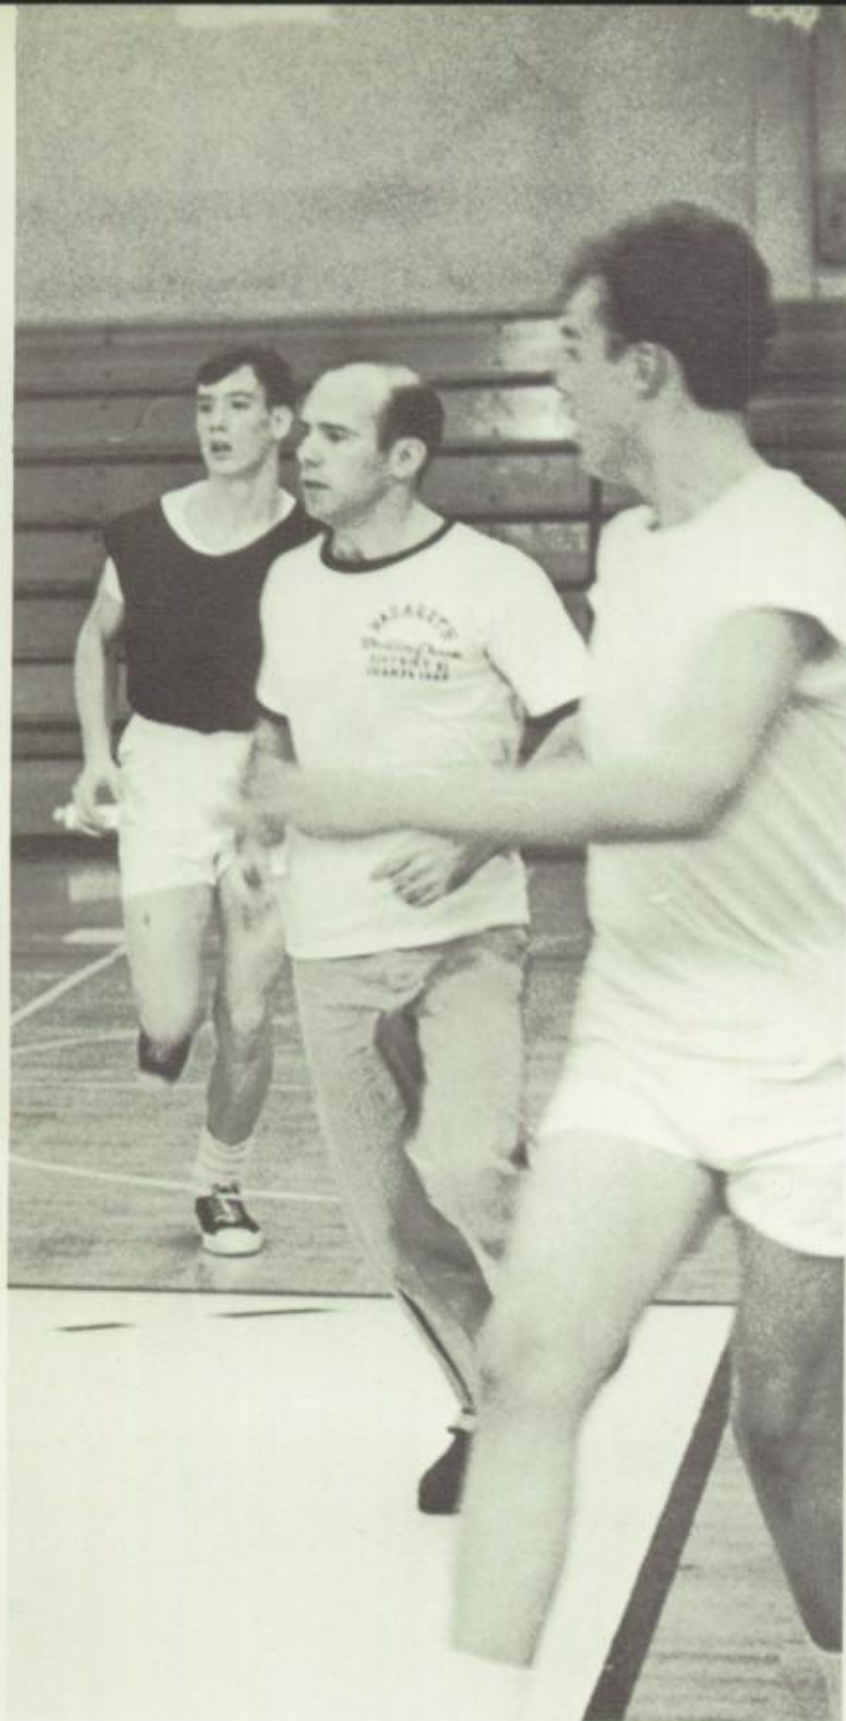

Developing sharp shooting technique is an important part of basketball training. Susan Winter gets set to make a foul shot as other members of the class wait their turn at the boards.

Examinations are a part of any course. Raymond DeRaymond studies the questions of a unit test in health class.

Action runs up the court as Thomas Mortimer, Instructor Raymond Nunamaker, and Edward Samler keep an eagle-eye on the ball carrier.

HEALTH, PHYSICAL, AND DRIVER EDUCATION

Class Activity Develops "Command of the Fundamental Processes"

PHYSICAL EDUCATION

Physical education has become a necessary portion of school curriculum. A well-rounded student needs not only mental alertness but also good physical being. Pupils need the physical drive to complete a job well in and out of school. Gym classes give us a chance to practice good sportsmanship by cooperating to create a one-team effort. Learning to work as a team and keeping fit are the major goals of the department. A well-built body helps us to do our best in all projects.

HEALTH EDUCATION

Establishing good living habits is the main objective of the instruction in health classes. Not only the function, but also the care of our body is discussed. Present-day problems such as alcoholism and smoking are brought out and reasonable solutions are offered.

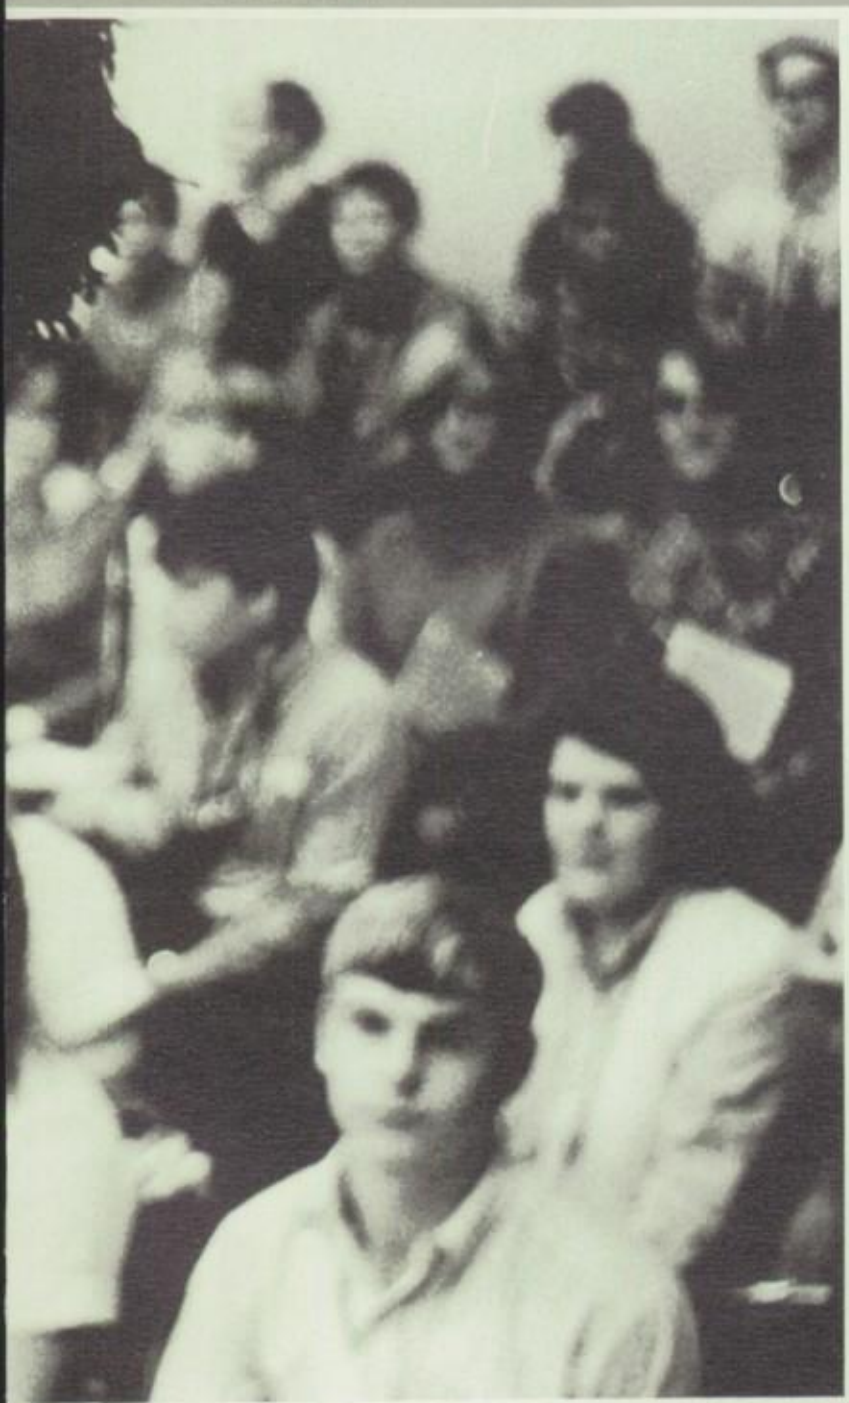

DRIVER EDUCATION

Good driving habits are a prime necessity to all students. One semester is spent in the studying of statistics and six hours of actual behind-the-wheel driving provide the practical aspect of the training.

Safe driving habits are the major emphasis of driver education. As one must be prepared for emergencies, Guy Owens teaches his students to use a car jack.

BASEBALL

Leh Climaxes Career With 10-4 Record

Another exciting baseball season was turned in by the Nazareth High School baseball team. The Blue Eagles, under Head Coach Andrew S. Leh and Assistant Coach John Roanoke, recorded an impressive overall 10-4 record and an 8-2 Lehigh-Northampton League record.

Coach Leh, who ended his coaching career with the 1968 baseball team, holds the longest baseball coaching record in the Lehigh Valley. His accumulative record, after serving 39 years as baseball coach, was 291 wins, 144 losses, and 7 ties.

Losing only to Bangor, the Blue Eagles were a close contender for the league crown. The final game of the season ended in defeat. The Blue Eagles lost 1-0 to the powerful Bangor team, despite the great effort of John Schoeneberger's one-hitter pitching. A win over Bangor would have forced a playoff between Nazareth and Bangor for the league championship.

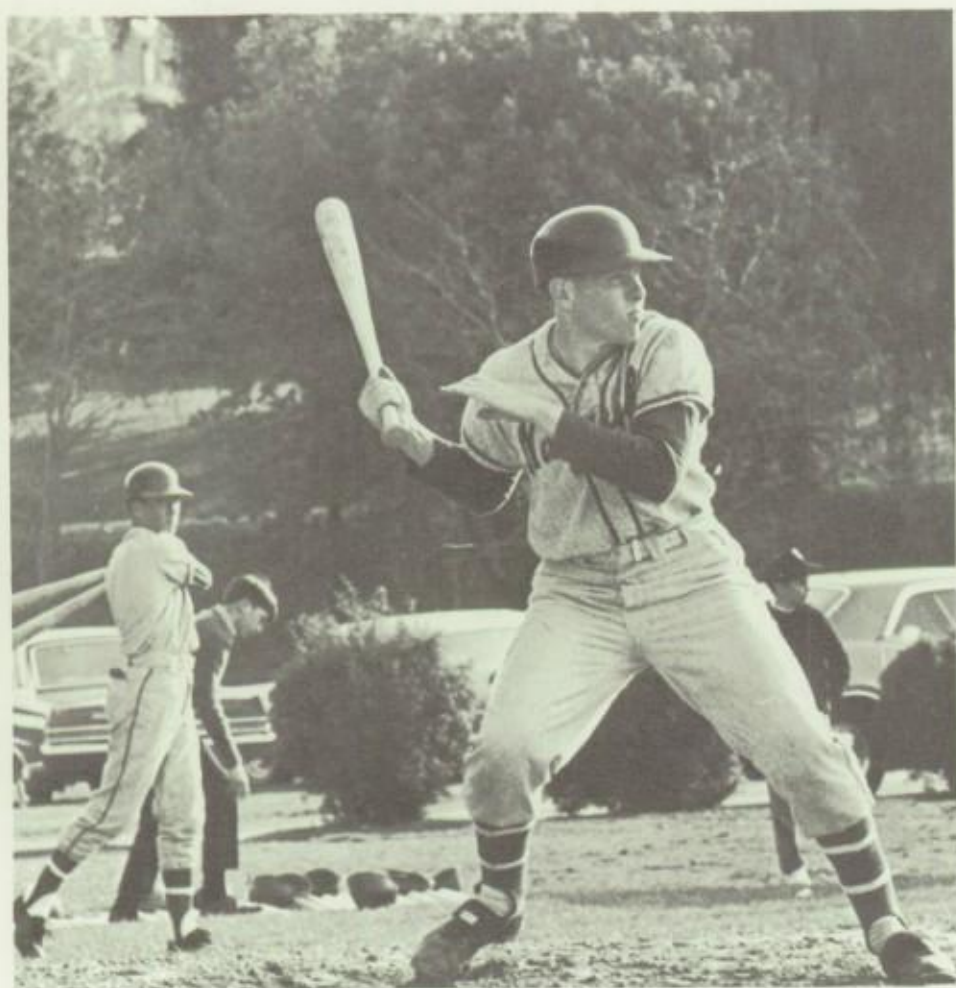

John Schoeneberger winds up in preparation to strike out an opponent batter.

Donald Dreibelbis seemingly dances across home plate as he scores another run for the Blue Eagle Nine.

Team spirit was a decisive factor in last year's successful outcome. The Blue Eagles attentively watch the crucial moments of their final game.

Musselman Places Fifth in State Javelin Competition

Trained intensively by Coaches Alan Miller and Raymond Nunamaker, and sparked by the record-setting performances of Leslie Tamandl and Ronald Musselman, the 1968 track squad amassed a 9-1 season record and an 8-1 league record. They secured second place in Lehigh-Northampton League competition. Losing only to undefeated league champion Parkland, who in the past six years has met only five league defeats — all at the hands of Nazareth — the Blue Eagles achieved four new school records.

Tamandl now holds top honors in three running events, including his two-mile mark of 10:12.6 minutes set in 1967. His two 1968 records of a 4:27.8 minute mile and a 2:10.5 minute 880 topped the previous NHS pinnacles by three and one seconds respectively.

A third running mark was set by the two-mile relay team as Edward Dulac, Ray Schissler, Paul Stocker, and Will Theimer clocked 8:25.1 to better the 1966 school record.

Ron Musselman paced the field events with his record-shattering hurl of 202'2" which was more than twelve feet longer than any former javelin mark. Placing fifth in Pennsylvania State Track Competition, Ron aspires to higher goals in the 1969 season.

Eagle cindermen at Nazareth Area Senior High School have won 32 out of the last 34 track and field contests.

Alan Decker defies Newton's Law of Gravitation en route to an impressive long jump. The senior cinderman was also a high jumper and mile relay man. Despite individual achievements, teamwork characterized the season.

Ronald Musselman gets a bead on the District XI Class B javelin record of 202'2". The Nazareth champ also holds the school field record of 186'2".

TENNIS

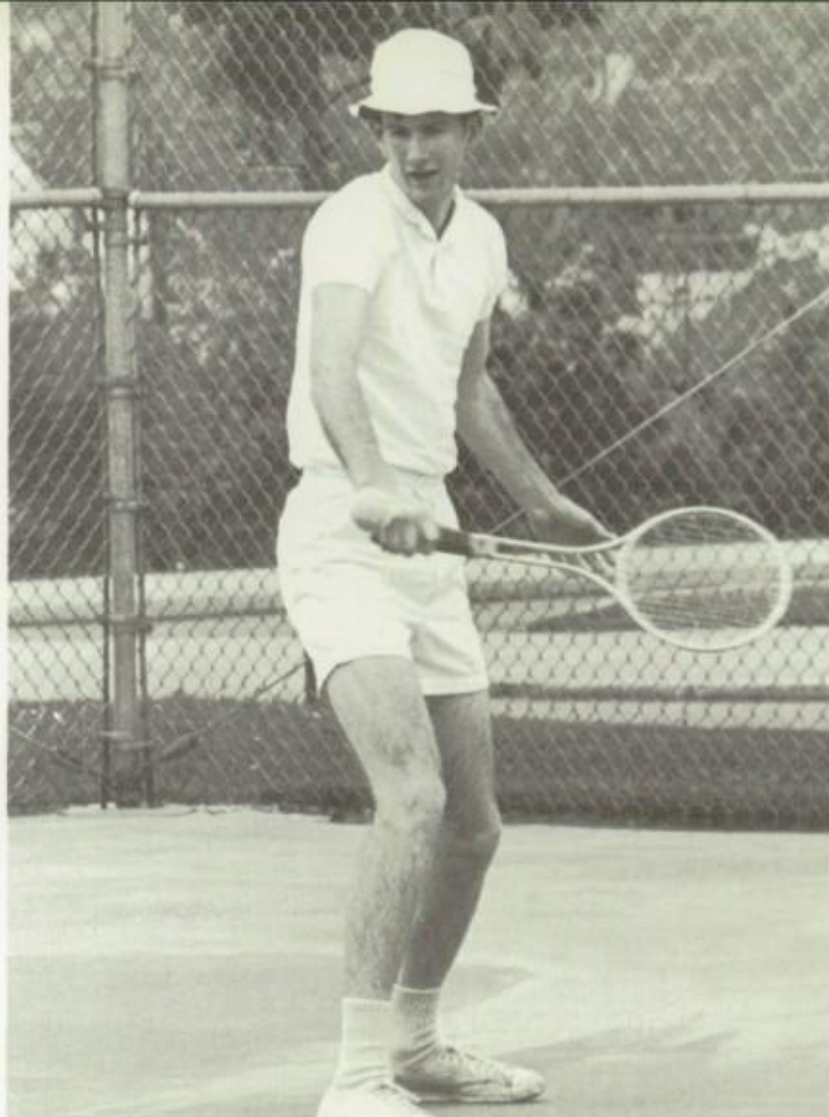

Blue Eagle Netmen Complete Successful Season

Ending the 1968 season with an overall record of 7-3-2, the Blue Eagle tennis team completed what Coach Edward Christman referred to as a very successful season.

Four returning lettermen — William Eberts, Gerald Fogel, Edward Shive, and Carey Hawk will be the nucleus for the 1969 team.

Most of the single matches were played by Clyde Lilly, William Eberts, Ronald Houck, and Carey Hawk. Daniel Bush and Gerald Fogel paired in the double matches. Graduating members of the team were Clyde Lilly, Ronald Houck, and Danforth Bush.

Clyde Lilly represented Nazareth in the District XI singles. He paired up with Ronald Houck to represent Nazareth in the District XI doubles which were held in Easton.

1968 TENNIS TEAM — FRONT ROW: Ronald Houck, William Eberts, Captain Clyde Lilly, Edward Shive, Carey Hawk, Coach Edward Christman. BACK ROW: Gerald Fogel, Danforth Bush, Daniel Lichtenwalner, Dennis Snyder, Charles Will, Dennis Hendershot.

William Eberts smashes a forehand drive to score a victory over Dieruff. Eberts will be a returning letterman for the 1969 team.

Sophomore Scott Paukovitch follows through with fine form after completing a 200-yard drive to tally another score for Nazareth's win over Pen Argyl.

1968 GOLF TEAM — FRONT ROW: Scott Paukovitch, Steven Geider, James Condomitti, James Kern, Barry Dieter, Raymond Flowers, Thomas Lichner. BACK ROW: Thomas Acker, Edward Quinter, Captain Fred Itterly, Peter Fleming, Philip Moll, John Gerneser, Coach James Evanko.

GOLF

Blue Eagle Golf Team Makes Its Debut

Of 35 matches played, the newly-organized Blue Eagle golf team scored 13 victories. Considering the recent formation of the golf team, Coach James Evanko believed that the team did well.

Tom Acker, with an average of 93.0 captured honors as our highest scorer. Philip Moll's average of 93.4 won him recognition as the second highest scorer.

Although Nazareth ended in fifth place in Lehigh-Northampton League standings, the accomplishment of organizing the golf team was both challenging and satisfying to the members of the team as well as to Coach Evanko.

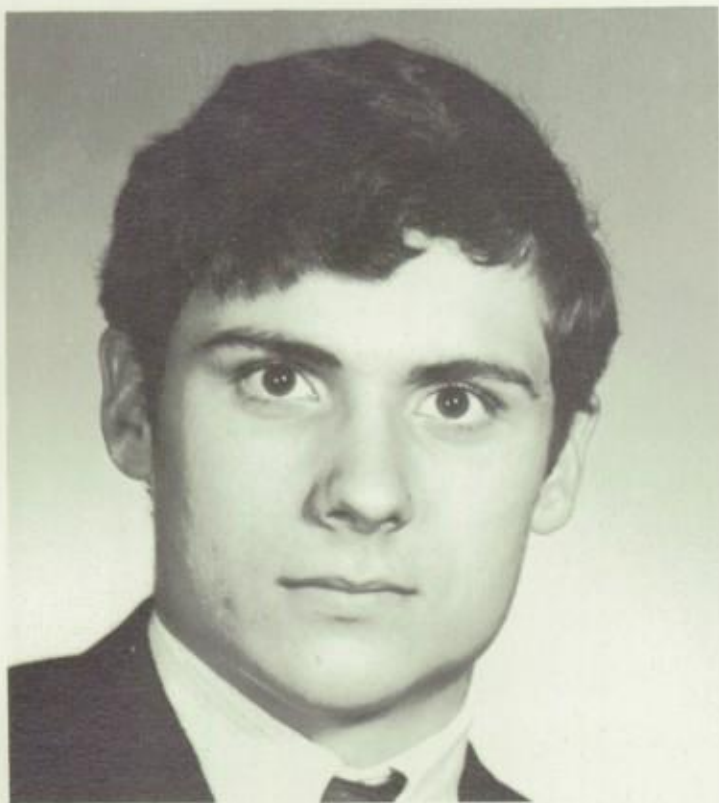

Members of the varsity football team named to the LEHIGH-NORTHAMPTON LEAGUE ALL-STAR TEAM are Steven Shiffert, Richard Steiner, and Carmen Cortez.

Richard Steiner and Carmen Cortez were selected on the annual NORTHAMPTON COUNTY ALL-STAR TEAM.

Nominees for BIG 33 honors were Richard Steiner and Robert Butz. Steiner later gained Honorable Mention on the BIG 33 team and Honorable Mention on the A.P. ALL-STATE TEAM.

Halfback Jack Yeakel lunges forward to gain valuable extra yardage for a vital first down. Below, Bill Kahler, Rich Steiner, and Ken Stewart block as Bob Butz evades the Wilson defenders with the 28 option. Butz stunned many League teams with his well-performed option play.

Senior Steve Shiffert closes in for a block as junior fullback Tim Messinger displays excellent running form and balance as he escapes Salisbury tacklers.

Top, End Mike Reph gallops to the one-yard line for a gain of 20 yards after successfully carrying out his assignment in the 33-opposite reverse. This 33-opposite reverse was a special play planned for the Warrior attack. Center, Senior end Rich Steiner throws a devastating block as halfback Ken Stewart follows for the extra point. The successful extra point-attempt made the score 26-0. Left, Ken Stewart successfully received the pitch from quarterback Bob Butz. Stewart gained valuable yardage after following the rugged blocking of senior guard Bill Kahler.

Three Nazareth Gridders Placed on L-N-L All Star Team

When the 1967 football season ended, everyone thoroughly agreed that the Blue Eagle gridders had done what no other football team at Nazareth had — to complete a season undefeated and untied. It was also generally accepted that this was the best football team ever fielded by N.H.S. With a total of 22 seniors leaving the roster, there was much skepticism as to the future of the "left over" gridders. The question was left "in the air" with everyone holding his own opinion.

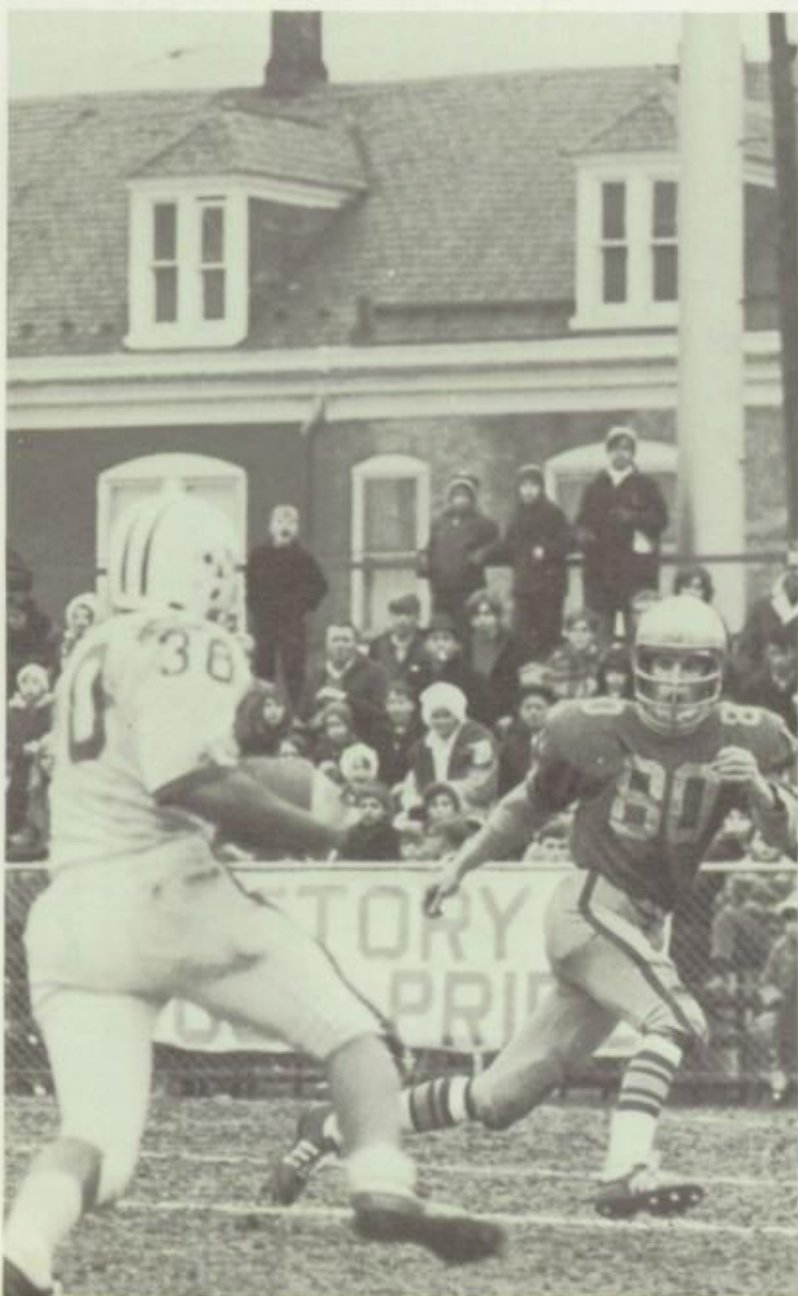

Before long summer rolled around, and with it another football season. Anxious players reported to practice on Monday, August 19, for three practice sessions per day. This lasted for one full week. The first test for the young Eagles came six days after the first practice, when they met the Mounties of Stroud Union in a scrimmage. The Blue Eagle gridders looked rather promising. One week later came a greater test with the Canaries from William Allen. This time the Eagles did not fare quite so well, as the devastating Canaries handled the Eagles with ease.

Kenneth Stewart, junior halfback, evades Bangor defenders and goes on to score another touchdown.

Nazareth Posts 8 - 2 Record to Gain 2nd L-N-L Title

September 7 marked the official debut of the Blue Eagles of Nazareth Area High School. The opponent, a veteran Governor Mifflin team, later posted a 9-1 record. Both teams were hungry for battle. As a result of too many Nazareth mistakes and inexperience, the Mustangs emerged the victor. After this first blow the Blue Eagles were termed "Green as the Jolly Green Giant."

The Eagles quickly regained their stature, and went on to defeat Hellertown and all the remaining League opponents.

November 24 marked the final appearance of the Blue Eagle seniors and of the 1968 squad when the Eagles met head-on with the Wilson Warriors. The Big Blue was no longer an inexperienced ball club, and the final appearance was enough evidence for any doubting spectator. The Eagles literally wiped the Warriors off the field with a score of 27-6. The vital win also gave the Eagles the second consecutive Lehigh-Northampton League Championship.

Although the Blue Eagles did not go undefeated and untied, they did prove to the previously doubting spectators that the 1968 gridgers were not merely leftovers from "67."

BASKETBALL

Blue Eagles Win Sixth Straight L-N-L Northern Division Title

Led by Tri-Captains Richard Steiner, Steve Shiffert, and James Meixsell, the Blue Eagle basketball team turned in the best winning record in Nazareth basketball history while under the direction of Coach Barry Boyer. The Eagles lost only one League game to a strong Hellertown team. The Panthers of Hellertown finished second in Northern Division standings. Other Nazareth losses came from Easton, Emmaus, and Panther Valley.

After losing to first-half champions Hellertown, the Eagle Cagers bounced back and downed Bangor for Coach Boyer's 100th win at Nazareth High School. The mighty Blue streaked on to take the second-half honors. Once again the Eagles faced Hellertown for the Northern Division Crown. The surprisingly easy victory gave Coach Boyer his sixth consecutive Northern Division title and an opportunity for the all-important League Crown.

Lehigh-Northampton League Trophy is presented to Captains James Meixsell, Steven Shiffert, and Coach Barry Boyer. The win over Southern Lehigh gave the Eagles their second consecutive Lehigh-Northampton Championship.

Blue Eagle Cagers Turn in 21-4 Record

Below — Senior Tri-Captain Steven Shiffert puts it in for two points. Crashing the boards are junior Mike Reph and James Meixsell.

Junior Charles Calandra brings the ball up court. The shifty junior besides being a shooter was also a tough rebounder.

Southern Lehigh, Southern Division Champions, met the Eagles head-on before a capacity crowd at Liberty High School's gym. After a hard-fought first half, the Nazareth cagers pulled away from the dying Spartans and went on to win the championship playoff with little difficulty. This important victory gave the Eagles their second consecutive L-N-L Championship and the opportunity to enter the District XI competition.

The Eagle cagers met second place Shenandoah Valley from the North Schuylkill League. After a long and hard fought struggle, the Eagle five came on top by a score of 63-58. This victory set up, for the second consecutive year, a District XI playoff between defending District Champs Panther Valley and the Big Blue of Nazareth.

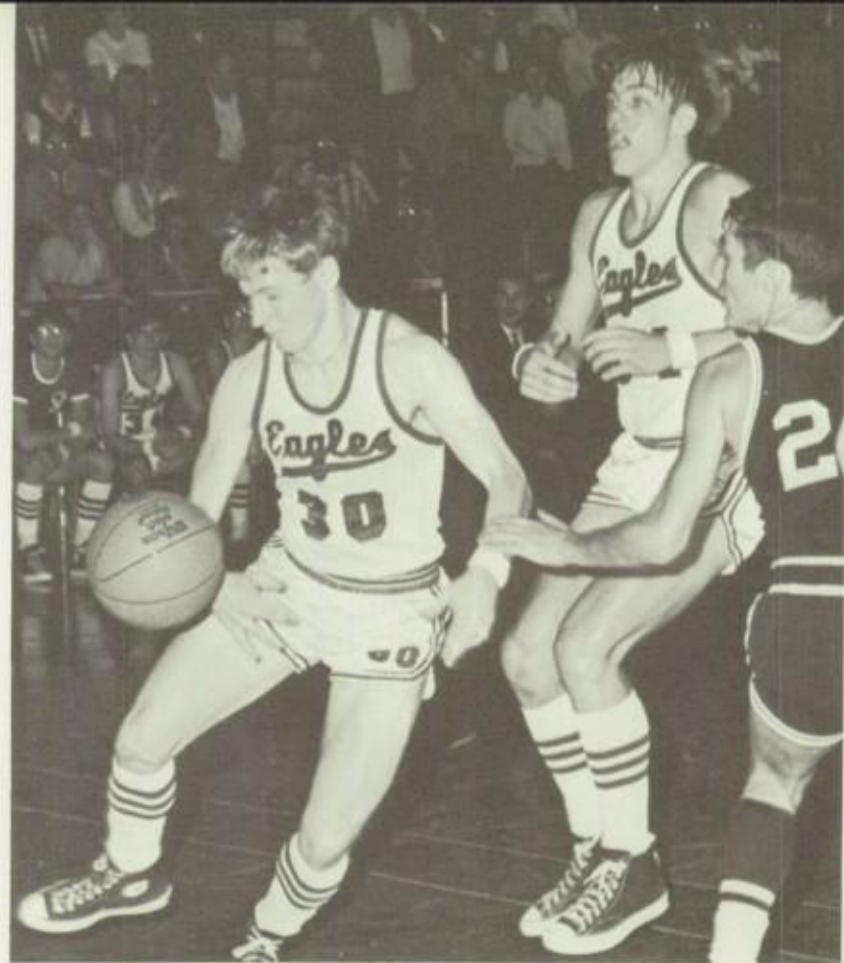

At Harrisburg the Eagles met Panther Valley after the Class A game which featured Dieruff and West Hazleton. Dieruff came out on top by a convincing 20-point margin. The Blue-Eagles had met the Class A District Champs early in December. Despite Dieruff's Class A Rating, the Eagles handed the Huskies their first loss of the season. The Panther Valley cagers, however, were a bit too much in the final minutes of the Class B playoff, and the Eagles left the arena empty-handed with a long trip back to Nazareth.

Our 1968—1969 basketball season at Nazareth was very excellent and exciting, one of which the town, school, and players can be proud.

Interest in wrestling continually mounts, due to the boost by head coach Raymond Nunamaker. This show case display is one of the many steps the Coach has taken to make wrestling great at Nazareth. In the picture at the far left, Co-captain Craig Reimer receives well-deserved congratulations after successfully handling his man in the 138-pound class in a match with Northwestern.

Representing the 127-pound class in a match against Palisades, Biff Stannard (left) exhibits the strength which lead him to a 14-3-1 season. Below — Elwood "Bunor" Faust, District XI runner-up at 133 pounds, shows complete control over a visiting opponent.

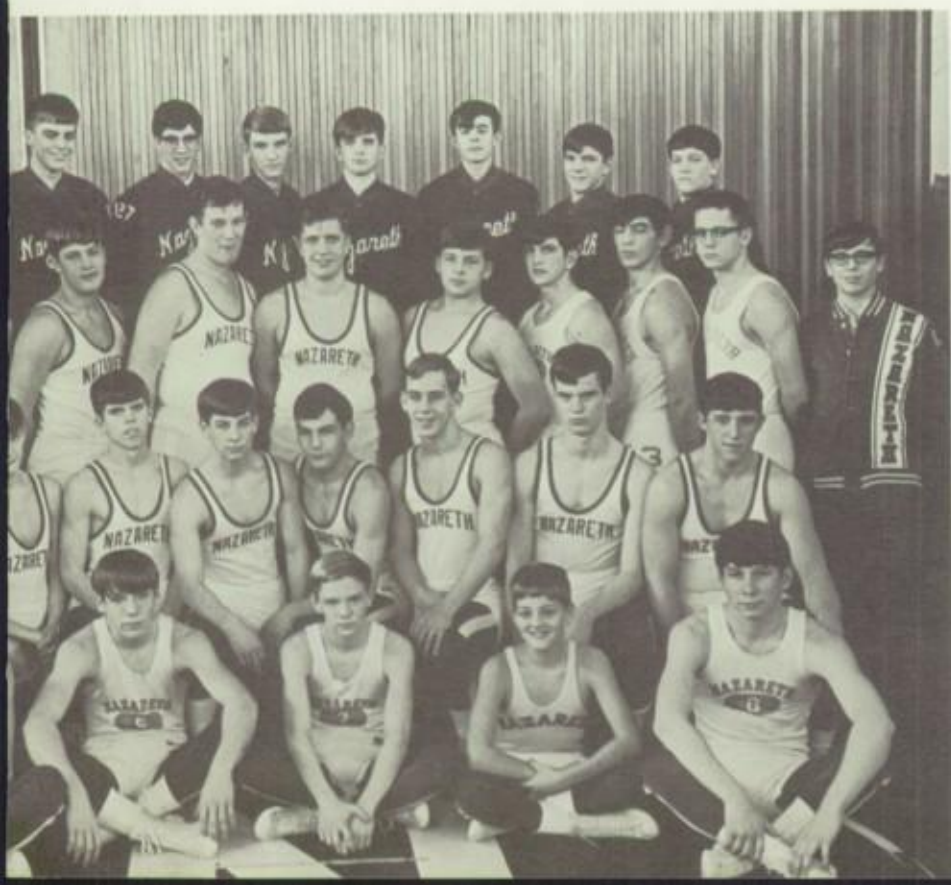

WRESTLING

Perfect League Record Marred by Hellertown

Plagued by injuries throughout the year, the Blue Eagle wrestlers nevertheless secured an enviable record of 12-2. The two losses came at the hands of a powerful Phillipsburg squad which closed the season with a 38-match winning streak, and to a Lehigh-Northampton League team, Hellertown. The loss to Hellertown left the grapplers just one-half match out of first place, and gave Hellertown the League championship.

Nazareth's might was proven in the District XI Tournament, in which we placed second out of the 36 teams in contention, whereas the League champs placed eighth. Jeff Duelley, at 120, was the only District XI Champion from Nazareth, with Elwood Faust filling the runner-up spot in the 133-pound class. Some of the outstanding records were Rich Albert 15-2-1; Joe Laurita 14-2-1; Jeff Duelley 15-2; Biff Stannard 14-3-1; Elwood Faust 17-2-1; and Craig Reimer 12-3.

Prospects for the coming season look bright, with three returning lettermen and a host of up-and-coming J.V. wrestlers. Under the coaching of Joseph Drust, the little Eagles compiled an 11-3 record in 1969, with undefeated records slated by Rich Gross and Ken Steward.

This year has been one of the most successful seasons ever experienced by a Girls' Basketball team at Nazareth Area Senior High School. Coached by Sandra Leathery, the girls won nine of their ten league games and ended the season with an 11-2 record to capture the Lehigh-Northampton League Championship.

Anticipating a successful season from the very first game, they captured a 41-40 victory over Wilson when Sue Smith was high scorer with 14 points. On January 10 the Eaglettes lost their first league game when Pocono Mountain scored 37 and the Eaglettes managed only 26 points. Jeanne Hunt, Hilda Deutsch, and Steff Miller were the high scorers for that game.

Victories followed the Pocono Mountain defeat, and in the final play-off with Pocono Mountain the Eaglettes proved their ability by defeating the Cardinalettes for the Lehigh-Northampton League Championship.

POLITICAL RALLY

Student Body Reacts Enthusiastically to Mock Election

Our student body found itself actively involved in the 1968 Presidential Election. Held the day before election, our rally had three participating parties. Party campaign managers Steven Shiffert, Richard Remaley, and James Lopresti were given twenty minutes to present the party's case to the members of the student body and faculty.

Wallace's "Law and Order" speech was followed by a spontaneous demonstration by his supporters. Humphrey emphasized his belief that America can solve its own problems. Following his speech the Democratic band played "Windy" as the demonstrators paraded around the auditorium. Nixon promised to "Tell it like it is," as the band struck up the rollicking tune of "Red River Rock" and the demonstrators cheered "Nixon's the One."

Apprehension filled the air on the day of the balloting. When the final vote was tallied, Nixon had won 44% of the votes cast — a figure which was surprisingly close to those of the National Election. The student body had spoken.

Members of the "Varsity 4" composed and sang witty tunes to further the cause of "Nixon for President." Their original compositions were well received.

FUTURE HOMEMAKERS OF AMERICA was organized to perform service to both the school and the community. One of the Club's projects this year was sending cards to servicemen overseas. PROM

Prom Features Mexican Theme "South of the Border"

After many weeks of hard work, frustration, shopping, and worrying, "South of the Border" came alive.

For the entertainment of the guests, Mexican scenes were shown from a slide projector mounted atop a model of an Aztec temple. Music from the Vincent Joseph orchestra, seated behind the brim of a huge sombrero, set the festive mood for the evening. Mexican hats and fans, favors of the evening, bulged from baskets hanging from the side of a life-sized donkey. Actual-size cactus added to the effect of our Mexican theme.

Hotel Easton's ballroom became the site of the post-prom party. As the wee hours arrived, sleepy couples returned to check in, and shortly fell off into much needed sleep.

Melody Smith and Alan Decker enjoy dancing to the music of the Vincent Joseph orchestra.

Queen Kathie Jones and her escort John Schoeneberger pose before her throne. Kathie was crowned shortly before leaving for the post-prom party at Hotel Easton.

PROM

Kathie Jones Chosen Queen of Festive Prom

Many people may not be in the Prom mood at the end of February, but beginning plans for the main Spring event slowly emerged at that time. Junior class officers and advisers selected the theme "South of the Border," from many ideas submitted by members of the class. Students volunteered to serve on the various committees — decorating, programs, centerpiece, throne, band area, lobby, and favors.

Many after-school hours were spent planning and building the different portions of the Prom. Piece by piece plain materials began to look like interesting decorations. Two weeks prior to Prom night things were at top speed. As we finally began stapling, cutting, painting, and pasting the final details in place, the big day arrived. April 28 — the date of the festive "South of the Border," was reached with happy hearts.

Pianist	Jeff Wentzell
Faculty Director	Russell Klein

Providing comic relief in our melodrama, Mookie is seen giving his "professional" opinion of the villain's artistic inclinations.

*"I am nobody's darling--
Nobody cares for me," sings Little Nellie.*

Ida Rhinegold, our crafty villainess, who is cohort to conniving Munro, takes her bow following her rendition of "All that Glitters is not Gold."

Mrs. Asterbilt, Leonie, and Fleurette make their "Grande Entree" in a very distinguished air as Mookie takes a break.

Our heroine Nellie Lovelace sings "Why Did They Dig Ma's Grave So Deep?" after going through the shock of her mother's poisoning by Munro.

Faculty director Russell Klein and the Senior Class Play are one in the same, for without his invaluable assistance, perseverance, and patience, our production never would have moved off the ground.

SENIOR CLASS PLAY

Two-Months' Rehearsal Turns the Abstract into Reality

"What kind of a guy is this Munro Murgatroyd supposed to be?" puzzled Jim Lopresti upon the initial reading of this year's Senior Class Play "Dirty Work at the Crossroads or Tempted, Tried and True." How to portray a melodramatic characterization from the written page was the problem realized by the cast and committee members early in September.

These abstractions were transferred from the script to the stage as the weeks passed. The cast shrouded themselves in their character portrayal by adding or deleting movements, inflections, and words. Finally, through this understanding of individual roles, we achieved the effect we had searched for during eight weeks of rehearsal — that of melodramatic caricatures, and on November 21, 22, and 23, we performed.

In the last few weeks, the cast really got into the spirit of the play, adding their personal melodramatic interpretations — Mookie injecting the contemporary phrase "Hook it On" to the lyrics of his song; Adam purposely entering late while Nellie strained from the clutches of the villain; and the lighting crew "missing" an important cue.

After three days of reality, the play again evolved into the realm of abstraction, never to be forgotten by the seniors.

"Never fear, Mookie is here!" Jeff Duelly bounds onto the stage to save Nellie from the clutches of Munro.

BAND

Richard Heckman Chosen for District Band

Under the direction of Augustine Weinhofer, assisted by Alan Miller, this year's marching band performed the most elaborate routines ever attempted. Our many accomplishments included a sunburst and an extremely difficult center pivot. This center pivot was performed at the Wilson game, a maneuver usually attempted by college and professional bands. A great sense of satisfaction was felt when the Wilson band applauded loudly for this feat.

Our Pep Band performed at pep rallies and during the intermissions of some basketball games. The lively music helped to boost our school's spirit.

Some other special band events included the presentation of a spring concert, a summer concert at the Nazareth Borough park, and placing Richard Heckman in the District Band.

Every year the majorettes get together to make their own tassels and to sew up the "dummy" to be burned at the Thanksgiving bonfire. New Routines were created to the swinging music of "Windy," "Going out of my Head," and a double twirling routine was performed to "Up, Up, and Away."

Adding dignity to the routine, the Color Guard presented the flags of our school, our state, and our nation. The girls became so skilled that they developed a flashy rifle and flag routine.

Majorettes And Color Guards Prepare New Routines

COLOR GUARD — FRONT: Gail Minnich, Joanne Schweitzer.
BACK: Color Lieutenant Helen Jenschowsky, Regina Schrenko, Mary Ann Dest, Elaine Smith, Captain Susan Gordon.

Observing his 25th Anniversary as bandmaster at Nazareth Area Senior High School, Augustine C. Weinhofer leads the band in a salute to our boys in Viet Nam. A moment of silence was observed to express our respect for the job they are doing for our country.

STAGE LEFT PLAYERS — For students interested in drama, the Stage Left Players meet weekly to plan for productions. This year their presentations included "The importance of Being Earnest," and "Spoon River Anthology." At the end of the year the Club plans to take a trip to New York City to review a Broadway play.

PEP CLUB — Newly organized, the Pep Club was created to help boost school spirit. The Club sat together and cheered as a group. Membership was open to the student body, and all members were asked to purchase a blue and white beanie to wear to all sports events. Although no meetings were held, the majority of the members were present at our athletic events.

GIRLS' GYMNASTIC TEAM — Linda Mackes, Christine Traupman, Mary Ann Wunderly, Beverly Long, Frances D'Achille.

CLUBS

Clubs Promote a Variety of Interests

GYMNASTICS

Organized at the beginning of the 1968—1969 school year, the Girls' Gymnastic Club gave interested girls an opportunity to improve their skills in gymnastics. This program included working on floor exercises, the trampoline, the balance beam, parallel and uneven bars, and the Swedish box. The Club met once a week and attended sports events sponsored by other schools.

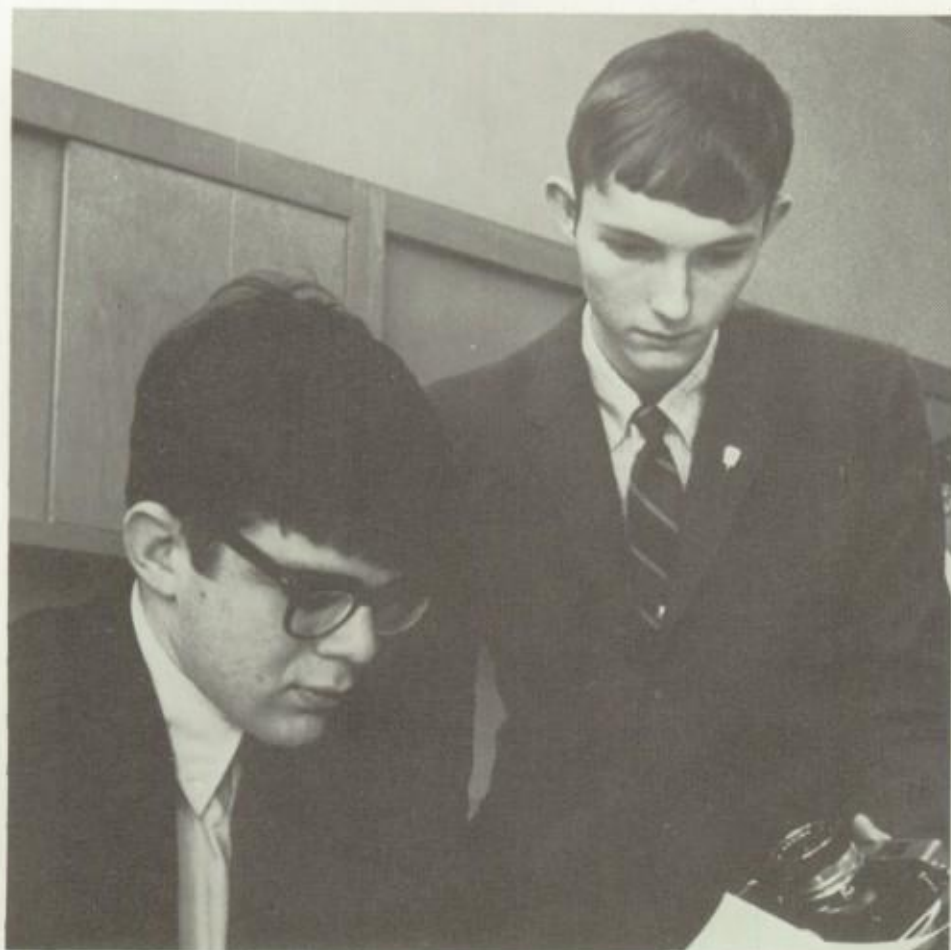

PENNSYLVANIA SCHOOL PRESS ASSOCIATION AWARDS

Awards for creative writing submitted to the Pennsylvania School Press Association for judgment were presented to students in the picture at the far left. Seated are Thomas Kolessar, Lisa Mikol, and Roberta Thompson. Standing are Mr. J. F. Knecht and Jeffrey Wentzell. Mr. Knecht was honored at the annual PSPA Convention for his many years of outstanding service to the Association. Student writing appeared in the school newspaper, the *Blue and White Standard*, and the school magazine, the *GLEAM*.

BLUE AND WHITE STANDARD STAFF

Our school newspaper is published by the Blue and White Staff pictured at the left. Advised by Mrs. Jacqueline Weaver, the Staff meets daily to gather information on the events which take place in our school. Members are William Miller, Adviser Mrs. Jacqueline Weaver, Kathleen Sandt, Roberta Thompson, Mary Ann Wunderly, William DeRaymond, and Jody Mahorsky.

YEARBOOK

Record Sales Exhibits Students' Support of Comet Staff

Early in September, the 1969 Yearbook Staff began its work of soliciting advertisements. Next on the agenda was the problem of choosing a theme and cover design which we felt would suit the students at Nazareth Area High School. After discussing the problem thoroughly, we decided that this cover and theme was the one we wanted to represent our class.

Each of the staff members was given a specific section on which to begin his work. These sections included layouts, copy, headers, and captions. There were deadlines to meet and directions to follow, and with the help of our advisers, Mrs. Belva Kolessar and Richard Schmoyer, we were able to produce this yearbook for you.

Members of the COMET staff attended the P.S.P.A. Conference held at Freedom High School in order to gain ideas for the yearbook. This conference included a talk given by Drew Pearson, classroom sessions, a banquet, and a dance. This year's COMET staff consisted of Carolyn Abel, Dana Bateman, Cindy Dlugos, Lora Hahn, William Kelley, Linda Mackes, Richard Steiner, and Jeff Wentzell.

Keeping Our Home-Away-From-Home Pleasing

Most people think that school closes at 3:20, but in reality this is only the start of a new day for the custodial staff. It is because of the diligent efforts of these conscientious men and women that our school maintains its attractive appearance. Their initiative and drive result in cleaned floors, repaired plumbing, sanitized locker rooms and lavatories, well-kept grounds, and gum-free loafers.

Our school meals are prepared under the direction of Mrs. Yolanda Burley and her staff of cafeteria workers.

This school year will mark the end of the long and industrious services of Mr. Arling Stout. In leaving, Mr. Stout commented, "Although I have had many enjoyable experiences, and, on the whole, a lot of fun, I feel that it is now time to retire." Mr. Stout looks forward to moving to Florida where he will engage in his favorite hobbies, hunting and fishing.

We sadly note the passing of Mr. Robert Kindt. His presence has been missed by both students and faculty.

HEAD CUSTODIAN Arling Stout.

CUSTODIANS Granville Kline, Francis Stannard, Harry Conners, Robert Kindt.

IN APPRECIATION

"Thank You" From The Comet Staff

This 1969 COMET could not have become a reality without the efforts and sacrifice of time by many people who were involved in its publication.

We would like to pay special tribute to —

RICHARD J. SCHMOYER, yearbook adviser, whose understanding and guidance were vital to the COMET staff

MRS. BELVA KOLESSAR, yearbook adviser, whose extreme patience and structural techniques were unmeasurable

AMERICAN PUBLISHING COMPANY, Topeka, Kansas, for their expert workmanship and helpful techniques in constructing our yearbook

VINCE McFALL for his friendly assistance as local representative of the American Publishing Company

ABE ORLICK, DAVOR STUDIOS for his talent and sacrifice of time in taking the senior portraits and hundreds of candid pictures

PAUL STULL, STULL'S PHOTO SERVICE for the action shots of sports, senior play, and advertising copy

KEN WELTY for his donation of football photographs and some of the action pictures in the sports area

F. C. BENFIELD, principal of Nazareth Area Senior High School, for the courtesy shown the staff

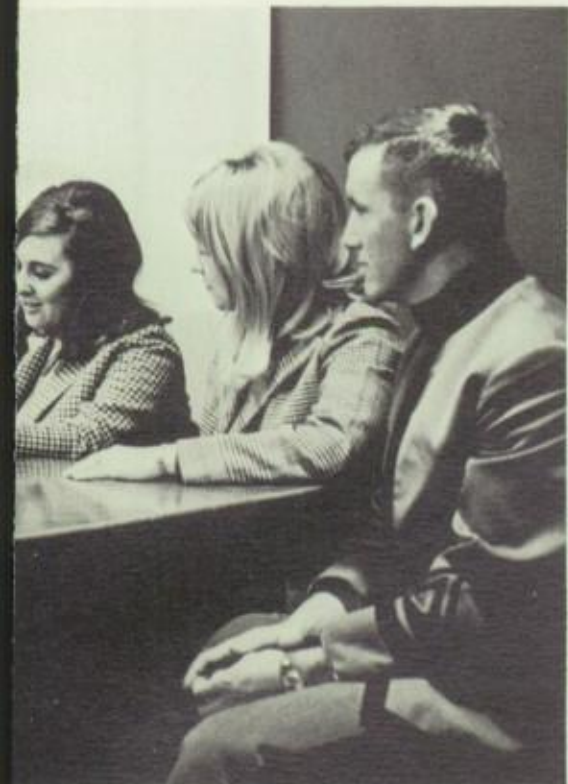

NAZARETH AREA SCHOOL BOARD for allowing students and faculty advisers the time to create and publish the COMET

TO THE COMET STAFF the advisers express sincere gratitude for their willingness to accept the huge responsibility of publishing the yearbook, their unusually fine cooperation, and their good humor

EPILOG

We have only a few days remaining at Nazareth Area Senior High School. Already we are besieged by memories of the past three years. As sophomores we struggled to adjust to a different building, the absence of homeroom sections, and the mysteries of Shakespeare. Secure as juniors, we displayed new class rings, proudly assembled the Prom, and anxiously awaited our first College Board results. Now, finally seniors, we add to the list of memories the Senior Class Play, cap and gown fittings, and that three-day chaos called evaluation.

As graduation nears, we not only look backward to the past, but also face the future. Before the Class of '69 lies a turbulent, complex world. Leaving the relaxed, informal days of youth, we must step forward to maturity, careers, and responsibilities. Sometime in that not-too-distant future, as we face the challenges to our generation, we will better realize the importance of a high school education. At Nazareth Area Senior High School we do not simply absorb academic facts and theories. Through our relationships with teachers, administrators, and other students, we learn to communicate with people, to approach various situations with intelligence and thought, and to accept new responsibilities. We establish a set of standards which will help us to solve not only our personal problems, but also the problems of our nation and our world.

In this COMET we have attempted to recognize some of the people who have aided us throughout the past three years. The most influential of these people are, of course, our teachers. By encouraging sensible reasoning and stimulating new ideas, they have helped us to achieve maturity, independence, and intellectual freedom. With their invaluable assistance, we have tried to prepare ourselves for anything the future may bring. For all of their guidance and encouragement, we would like to thank all of our teachers.

Thus, the Class of 69's time at Nazareth Area Senior High School, like this yearbook, comes to a close. Now, at the threshold of life, we look backward with fond memories — and forward with anticipation.
